

2019 HUMAN DIMENSION IMPLEMENTATION MEETING

The international association of independent democrats against authoritarian regimes.

Working session 5 (specifically selected topic):
Safety of journalists

There are dictatorship states: **AZERBAIJAN, BELARUS, TURKMENISTAN, TAJIKISTAN, and aggressive RUSSIA and again today UZBEKISTAN. KAZAKHSTAN has the authoritarian regime.**

Dictatorships have NOT any Safety of journalists.

More, all independent journalists have persecutions for all time.

Dear participants!

Today , I ask your attention to Azerbaijan.
The delegation Azerbaijan said that Emin Huseynov has not the citizenship of Azerbaijan!

But , first of all, the dictatorship of Azerbaijan annulated the citizenship of Azerbaijan for Emin Huseynov!

We see that dictatorship uses all inhuman methods for the persecution journalists.

The annulations of the citizenship is the very and very inhuman activity, with violation of standards OSCE and United Nation Conventions, CoE, and more, today, RECOMMENDATIONS of the Parliament Assembly of OSCE, at Luxembourg, 2019.

The dictatorship of Azerbaijan violates Human Rights with the very cynical way. We remember: Azerbaijan had the chairmanship in the Council of Europe. But the power of Azerbaijan forgets his obligations.....

.....

And to OSCE again

We support of USA proposition to the AGENDA for the 2019 HUMAN DIMENSION IMPLEMENTATION MEETING and we regret that same propositions: topics are not included, such as the role of civil society and the right to a fair trial.
