Nyzhnia Vilkhova (government-controlled, 26km NE of Luhansk)	5km SW	20 bursts	HMG, light cannon	8 November, 14:00hrs

¹ **Note:** The table only includes ceasefire violations directly observed by the SMM and it may include those also assessed to be live-fire exercises, controlled detonations, etc. Details provided – in terms of distance, direction, weapons-type, etc. – are based on assessments provided by monitors on the ground, and are not always necessarily precise. When information is not known (indicated with an “N/K”), the SMM was unable to ascertain such information due to distance, weather conditions and/or other considerations.

² All time references are in Kyiv time unless otherwise specified.
