

Supplementary Human Dimension Meeting

National Minorities, Bridge Building and Integration

10 - 11 November 2016

Vienna, Austria

OVERVIEW OF SIDE EVENTS

As submitted by the organizers

The Helsinki Document of 1992 (Chapter IV) called for increasing the openness of OSCE activities and expanding the role of NGOs. In particular, in paragraph (15) of Chapter IV the participating States decided to facilitate during CSCE meetings informal discussion meetings between representatives of participating States and of NGOs, and to provide encouragement to NGOs organizing seminars on CSCE-related issues. In line with this decision, NGOs, governments, and other participants are encouraged to organize side meetings at the Review Conference on relevant issues of their choice.

The side events below have been exclusively organized and scheduled exclusively at the request of participants of the Supplementary Human Dimension Meeting. The below descriptions have been provided by the organizers. They have been lightly edited by ODIHR for language but not for content. Responsibility for the content remains with the organizers. Neither the text below nor the events themselves necessarily reflect the views of the OSCE.
