## OSCE QUESTIONNAIRE ON ANTI-PERSONNEL MINES

### Part I

1. Is your country a State Party to the 1996 Amended Protocol II on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices annexed to the 1980 Convention on Conventional Weapons (CCW)?

*Yes*

If yes:

2. Please attach the most recent annual report submitted by your country in accordance with Article 13 of the Amended Protocol or give the appropriate electronic address for the report.

*The annual report for 01.01.2020-31.12.2020 on AP II submitted to CCW is attached.*

If no:

3. Is your country considering ratification/accession to the Amended Protocol II?

*N/A*

4. What measures have been taken to prevent the indiscriminate use of mines, booby-traps and other devices?

*N/A*

5. Would your country be interested in receiving assistance related to the implementation of this Protocol? If so, please describe.

*N/A*

6. Does your country have the capacity to assist others related to this Protocol? If so, please describe.

*N/A*

## Part II

7. Has your country ratified or acceded to the 1997 Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on Their Destruction?

*Yes*

8. a) If yes, please attach the most recent report submitted by your country in accordance with Article 7 of the Convention or give the appropriate electronic address for the report.

*The Article 7 report for 2020 on APM is attached.*

- (b) If no, is your country considering ratification/accession to the Convention?

*N/A*

- (c) Has your country adopted legislation to address the humanitarian objectives of the convention, or taken any specific measures regarding the use, production, storage, transfer and destruction of anti-personnel landmines? In case a moratorium has been introduced, what is its scope and duration and when was it introduced?

*N/A*

9. Does your country have any specific measures in place to provide assistance to victims?

*Please see response to question 11 below.*

10. Does your country require assistance in mine clearance, stockpile destruction, mine awareness and/or victim assistance? If so, please describe.

*No*

11. Does your country have the capacity to assist others in mine action? If so, please describe.

*Norway provided financial assistance amounting to NOK 356 million in 2020. Supported activities included survey and clearance, victim assistance and mine risk education in more than 20 countries. The assistance is channeled through INGOs such as ICRC, MAG, the Halo Trust, Humanity and Inclusion, and Norwegian Peoples Aid, as well as through local NGOs addressing local needs. Norwegian commitment to mine action has been a key pillar of our international humanitarian efforts for many years, including in the current humanitarian strategy 2019-2023 (Strategi for norsk humanitær politikk – handlekraft og helhetlig innsats)*

<sup>1</sup> Notes on using the cover page:

1. The cover page could be used as a **complement** to submitting detailed forms adopted at the [First and Second] Meetings of the States parties in instances when the information to be provided in some of the forms in an annual report is the same as it would be in past reports. That is, when using the cover page, only forms within which there is new information would need to be submitted.
2. The cover page could be used as a **substitute** for submitting detailed forms adopted at the [First and Second] Meetings of the States parties only if all of the information to be provided in an annual report is the same as in past reports.
3. If an indication is made on the cover sheet that the information to be provided with respect to a particular form would be unchanged in relationship to a previous year's form, the date of submission of the previous form should be clearly indicated.
