ASSISTANT TO STATISTICAL ANALYST

Background:

ODIHR is the leading agency in Europe in the field of election observation. It co-ordinates and organizes the deployment of several observation missions with thousands of observers every year to assess the compliance of elections in OSCE participating States in line with OSCE commitments, other international standards for democratic elections and national legislation. Its unique methodology provides an in-depth insight into all elements of an electoral process, and permits to make concrete recommendations to further improve electoral processes. Further details of the organization can be found at www.osce.org/odihhr.

Under the supervision of the Statistical Analyst, the Assistant assists Statistical Analyst to perform his/her duties and reports directly to him/her.
