**INFORMATION SHEET
REQUEST FOR SHORT-TERM OBSERVERS**

**REPUBLIC OF SERBIA
PRESIDENTIAL AND EARLY PARLIAMENTARY ELECTIONS
3 April 2022**

Following an official invitation from the authorities of the Republic of Serbia to observe the 3 April presidential and early parliamentary elections, and in accordance with its mandate, ODIHR has established an Election Observation Mission (EOM). Mr. Douglas Wake is appointed Head of the ODIHR EOM. The mission consists of 15 core team members based in Belgrade and 26 long-term observers (LTOs) deployed throughout the country. The core team and LTOs come from a total of 24 OSCE participating States.

ODIHR requests participating States to second 250 (two hundred and fifty) short-term observers (STOs) to observe voting, counting, and the tabulation of results. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the ODIHR EOM. In the interest of a broad and balanced representation among participating States, ODIHR requests that individual participating States nominate only up to 15 per cent of the total number of requested STOs.

To ensure a better gender balance in its activities, ODIHR strongly encourages the OSCE participating States to second equal numbers of women and men as short-term observers.

Seconding States should confirm visa requirements for their STOs. If required, visas should be obtained at the nearest embassy or consulate of the Republic of Serbia or at the airport upon arrival.

To facilitate accreditation of observers through the REC and the issuance of visas (if required), the ODIHR online mission registration form must be completed **no later than 18 March 2022**.

STOs are required to arrive in Belgrade by Thursday, 31 March (latest by 15:00) and depart (at the earliest) on Wednesday 6 April. The STO schedule is provided below.

Observers should strictly abide by the [Code of Conduct for ODIHR Observers](#) and the deployment plan prepared by the ODIHR EOM. Observers should also familiarize themselves with the [Guide on the OSCE Policy against Harassment, Sexual Harassment and Discrimination](#). The security and safety of observers is of the highest priority and will take precedence in EOM management, including the deployment plan. However, seconding States are required to ensure that their observers adhere to national rules and regulations related to entry, including with regard to potential requirements related to PCR testing and health insurance which covers the treatment of COVID-19 in the Republic of Serbia. All observers will receive security and Code of Conduct briefings and are required to operate in accordance with security guidelines.

The working language of the EOM is English. All briefings and reporting will be in English and all interpreters will work in local languages/English. All STOs must therefore have a good working knowledge of both written and spoken English.

ODIHR strongly encourages all observers to undertake the ODIHR comprehensive e-learning course for observers, available at www.odihrobserver.org.

STOs are requested to familiarize themselves with the ODIHR Election Observation Handbook, available online at www.osce.org/odihr/elections/68439.

STOs are kindly asked to refrain from commenting on mission-related issues via social media. In line with the [Code of Conduct for ODIHR Observers](#), media communications regarding the electoral process and the substance of observations should be made only by the Head of Mission, ODIHR Spokesperson, or other responsible ODIHR officials.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

a) Briefing

Prior to departure from the home countries STOs will be provided with an online briefing, which will include:

- code of conduct and professional working environment;
- political overview and campaign environment;
- voting, counting, and tabulation procedures;
- observation forms;
- security advisory, including COVID-19 precautions;
- logistical and financial arrangements.

STOs will also be provided with briefing materials, which will include all necessary electoral and logistical information, as well as observation forms to complete during the observation of voting, counting, and tabulation.

b) Deployment

The ODIHR EOM will develop a deployment plan. STOs should strictly abide by the deployment plan and security instructions. STOs should not request special treatment with regard to deployment locations.

In respect of in-country travel organized by ODIHR, please note that **STOs are required to complete the standard OSCE Liability Release Form** and attach it to the on-line mission registration form by **18 March 2022**.

c) Debriefing

Due to safety considerations related to COVID-19, the ODIHR EOM will not organize an in-person debriefing for STOs. Instead, the EOM will provide an opportunity for STOs to express their main findings and share their conclusions with EOM members during an online STO debriefing and through the mission evaluation form, provided in the observation booklet.

The EOM will hold a press conference on the day after the elections to present its preliminary findings and conclusions. A comprehensive final report will be issued by ODIHR approximately two months after the electoral process has been completed, taking into account findings of all observers.

2. Logistics and Security

a) Contact details

All logistical arrangements for the STOs will be organized by the EOM under the direction of:

Pawel Jurczak, Operations Expert
e-mail: Pawel.Jurczak@odihr.rs; mobile phone: +381 62 8083 095

b) Transportation/Accommodation

All STOs will be met at Belgrade Nikola Tesla Airport by an ODIHR EOM representative and transported to their accommodation. Transport and accommodation in Belgrade and in the areas of observation will be arranged by the EOM.

IMPORTANT: Hotels in Belgrade may require guests arriving/departing in the early morning hours to pay the full overnight rate.

For safety reasons, particularly in the current health environment, and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars, and interpreters.

If ODIHR is not duly notified in advance, STOs or the respective OSCE seconding State will be charged for the cost, regardless of whether the accommodation provided is used. The EOM cannot provide airport transfers and in-city transportation for STOs who do not stay in the designated accommodation.

STOs will deploy from Belgrade to the regions by bus or car. STO deployment will be planned in accordance with national regulations and the EOM's COVID-19 safety guidelines.

The ODIHR EOM will make necessary arrangements for the STOs to return to Belgrade from 4 April, and will arrange accommodation in Belgrade. The EOM will arrange transfers to the airport for all STOs from designated hotels.

c) Security

STOs must adhere to the [Code of Conduct for ODIHR Observers](#), as outlined in the ODIHR Election Observation Handbook, and the [Guide on the OSCE Policy against Harassment, Sexual Harassment and Discrimination](#), as well as security instructions and national regulations related to the prevention of COVID-19.

A memo on security details for the STOs will be handed over to all observers upon arrival, including guidelines related to the procedures to promote the safe conduct of mission activities during the COVID-19 pandemic. STOs who do not stay in accommodation provided by the ODIHR EOM will not be covered by the mission's security arrangements.

d) Luggage/Essential Items

Due to potential modest conditions in the regions, STOs are advised to bring with them the following items:

- appropriate attire for election day observation – business casual is recommended;
- personal protection equipment such as face masks, and hand sanitizer (the ODIHR EOM will provide additional PPE with the STO briefing pack);
- torch/flashlight with spare battery;
- all necessary medication (case-specific);
- clothing (including for sleeping);
- electricity converters (if needed) – European style plug.

The ODIHR EOM strongly recommends that STOs, when travelling by air, put essential items into their hand luggage, in case of late arrival of their luggage in Belgrade.

e) Communication

Each STO will be provided with a mobile phone and a local SIM card with credit, for work-related usage. Please note that using mobile phones for international calls and SMSs should be avoided. Such usage is very expensive and will quickly deplete allocated phone credit.

f) Time zone/Flight bookings

The Republic of Serbia is a one time-zone country. Local time in Belgrade is GMT/UTC +1 (GMT/UTC +2 as of March 27). Due to the limited number of scheduled flights to Belgrade, the ODIHR EOM strongly encourages seconding States to make early flight bookings. To

ensure operational flexibility, (e.g. in case of bad weather conditions), seconding States are advised to book changeable airline tickets.

3. Interpreters and Drivers

All observers will be organized in multinational teams of two persons under a deployment plan prepared by the ODIHR EOM. The ODIHR EOM will assist STO teams with finding drivers/cars and interpreters. Even in cases where one team member speaks local languages, it will be necessary for that team to have an interpreter in order that both members of the team can have full and equal access to information as they carry out their observation duties.

4. Costs

It is projected that, while in country, **each STO** will incur the following costs, although some STOs may not require the full amount indicated below:

Operational/Transportation cost	EUR
Airport transfers	40
In-Country Transportation (to and from deployment area)	60
Communication (SIM card/mobile phone/e-pen use)	90
Briefing costs (briefing, briefing pack, PPE, meals, shipment)	120
Estimated cost to be incurred by ODIHR on behalf of STOs	310 EUR
PCR test(s)	70
Driver/car (EUR 35 per day @ maximum 5 days per observer)*	175
Fuel (EUR 15 per day @ maximum 5 days per observer)*	75
Interpreter (EUR 35 per day @ maximum 5 days per observer)*	175
Accommodation (7 nights @ max EUR 100 per night)	700
Meals & Incidentals (approx. EUR 50 per day @ max 7 days)	350
Accommodation and meals for interpreter if needed (EUR 35 per night @ 4 nights per observer)*	140
Accommodation and meals for Driver if needed (EUR 35 per night @ 4 nights per observer)*	140
Costs paid directly by the observers	1,825 EUR
Total cost per observer:	2,135 EUR

* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. for each STO).

The total cost per observer is estimated at **EUR 2,135** (two thousand one hundred and thirty five Euros), including **EUR 1,825** (one thousand eight hundred and twenty five Euros) which the seconding States should supply to each observer in cash prior to their departure to Belgrade. **The ODIHR EOM is not able to validate or certify documents related to costs paid directly by the observers (receipts, invoices, contracts, etc.).**

EUR 310 (two hundred and ten Euros) is the projected cost per each STO to be incurred by ODIHR. After the closure of the EOM, each seconding State will be billed by ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or Euro. The Euro is widely exchangeable locally, although other currencies can also be exchanged. There are cash machines (ATMs) in Belgrade, some of them dispense EUR and may be available in some areas of deployment. Hotels in Serbia generally do not accept foreign currency, and may not, especially outside Belgrade, accept credit cards. On rare occasions, STOs should be prepared to pay hotel bills outside Belgrade in cash and upon check-in. Travellers cheques must not be used. The local currency is the Serbian Dinar (RSD). The exchange rate is approximately 1 EUR = 117.6 RSD and 1 USD = 103.8 RSD.

5. Visas and Insurance

a) Visa

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the Republic of Serbia prior to arrival.

b) Insurance

STOs should ensure that they arrive with adequate health (including COVID-19), accidental/life disability, emergency/medical evacuation, property, theft, and accident insurance, as this will not be provided by ODIHR. **STOs must have a copy of their insurance policy with them, as well as two copies of the data page of their passport and the visa (if applicable).**

c) COVID related requirements

All STOs are advised to check entry requirements to the Republic of Serbia prior to departure as changes may occur with little notice. Keep in mind that airline and transit country requirements may differ, and they may require a PCR test and/or vaccination certificate to transit through or to fly. Regardless of entry requirements or vaccination status, STOs are required to have a negative PCR test result within 72 hours prior to entering the Republic of Serbia.

Whilst in the country, STOs should follow applicable safety procedures, including those related to the use of PPE. Social distancing of 2 meters must be observed. Wearing masks in indoor public spaces is mandatory, including public transport. STOs should be aware that according to national protocols and ODIHR guidelines, international observers diagnosed with COVID-19 might require quarantine. The location of quarantine and the length will depend on the assessment of a medical professional.

Prior to departure from Belgrade, some STOs may be required to take a PCR test, regardless of vaccination status, depending on transit, destination, seconding agency, and airline requirements.

6. Registration and Accreditation Process

After receiving this Information Sheet, all OSCE participating States considering secondment are requested to inform ODIHR on the number of STOs (to the attention of Sylwia Zwolinska or Anna Krzysztofik; e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl) no later than 11 March 2022.

To be nominated by the seconding States, STOs are required to create a personal account in the Election Expert Database, fully complete their profile, and share it with their national focal point. The seconding States are requested to submit the names of proposed STOs using the Election Expert Database as soon as possible and no later than 11 March 2022; 17:00 (Warsaw Time).

After the nomination deadline, ODIHR will consider the overall number of nominations received and confirm the final numbers it is in a position to receive from each seconding State and, subsequently, enable the focal point to proceed with the on-line registration.

In respect of in-country travel organized by ODIHR, please note that STOs are required to complete the standard OSCE Liability Release Form and attach it to the on-line mission registration form **by 18 March 2022**.

For the purposes of accreditation of STOs with the Central Election Commission of the Republic of Serbia, the online mission registration form must be completed and supporting documents attached by the end of **18 March 2022**.

The seconding States which have not requested access to the Election Expert Database as a national Focal Point yet or require additional guidance on the observers' registration process should contact Sylwia Zwolinska or Anna Krzysztofik; e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl.

An official cover letter from the Ministry of Foreign Affairs of the seconding State or designated national focal point should be sent together with the list of STO names to the attention of Sylwia Zwolinska or Anna Krzysztofik (e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl) by 18 March 2022.

<p style="text-align: center;">IN ORDER TO MAKE ALL LOGISTICAL ARRANGEMENTS ON TIME, NO APPLICATIONS WILL BE CONSIDERED BY ODIHR UNDER ANY CIRCUMSTANCES AFTER 18 MARCH 2022.</p>
--

STOs must not have any concurrent commitments that could produce a conflict of interest with the ODIHR EOM.

ODIHR reserves the right to reject any candidate who is not capable of undertaking his/her activities in an impartial and objective manner, and to withdraw accreditation in case of any serious breach of the [Code of Conduct for ODIHR Observers](#).
