YES, 30 April 1997.

If yes:

2. Please attach the most recent annual report submitted by your country in accordance with Article 13 of the Amended Protocol or give the appropriate electronic address for the report.

See attachment, annex 1

If no:

3. Is your country considering ratification/accession to the Amended Protocol II?

4. What measures have been taken to prevent the indiscriminate use of mines, booby-traps and other devices?

5. Would your country be interested in receiving assistance related to the implementation of this Protocol? If so, please describe.

6. Does your country have the capacity to assist others related to this Protocol? If so, please describe.

Part II

7. Has your country ratified or acceded to the 1997 Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on Their Destruction?

Yes. Denmark ratified the convention in 1999.

8.(a) If yes, please attach the most recent report submitted by your country in accordance with Article 7 of the Convention or give the appropriate electronic address for the report.

See attachment, annex 2

- (b) If no, is your country considering ratification/accession to the Convention?
- (c) Has your country adopted legislation to address the humanitarian objectives of the convention, or taken any specific measures regarding the use, production, storage, transfer and destruction of anti-personnel landmines? In case a moratorium has been introduced, what is its scope and duration and when was it introduced?

Legislation implementing the Ottawa convention has been put in place.

9. Does your country have any specific measures in place to provide assistance to victims?

NO victims in Denmark

10. Does your country require assistance in mine clearance, stockpile destruction, mine awareness and/or victim assistance? If so, please describe.

No
