INFORMATION SHEET  
REQUEST FOR SHORT-TERM OBSERVERS

PARLIAMENTARY ELECTIONS  
MONGOLIA  
29 JUNE 2016

Following an official invitation from the government of Mongolia and based on the recommendation of the Needs Assessment Mission conducted from 5 to 8 April 2016, the OSCE/ODIHR has established an Election Observation Mission (EOM) to observe the presidential election scheduled for 29 June 2016. Ambassador Audrey Glover has been appointed Head of the OSCE/ODIHR EOM. The mission consists of additional 11 core team members based in Ulaanbaatar, and 14 long-term observers (LTOs) to be deployed throughout the country. The core team and LTOs come from a total of 20 OSCE participating States.

The OSCE/ODIHR requests participating States to second **three hundred (300)** short-term observers (STOs) to observe voting, counting and the tabulation of results. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the OSCE/ODIHR EOM. In the interest of a broad and balanced representation among participating States, the OSCE/ODIHR requests that individual participating States nominate only up to 15 per cent of the total number of requested STOs.

Committed to achieving gender balance in its activities, the OSCE/ODIHR encourages OSCE participating States to second equal numbers of female and male STOs.

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of Mongolia prior to arrival. In exceptional cases visas can also be issued on arrival at the airport in Ulaanbaatar. It is strongly recommended to obtain visa before departure.

For the purposes of accreditation of observers with the General Election Commission (GEC) of Mongolia, the attached accreditation form must be filled in and a scanned version sent to the OSCE/ODIHR. In addition to the accreditation form, the GEC requires a digital photo.

To facilitate accreditation of observers through the GEC and the issuance of visas (if required), the OSCE/ODIHR online registration form must be completed **no later than 9 June 2016**. All STOs are required to arrive in Ulaanbaatar **by Friday 24 June in the morning** and depart (at the earliest) on **Saturday 2 July** in the morning. The STO activity schedule is provided below.

Observers should strictly abide by the OSCE/ODIHR Observer Code of Conduct and deployment plan prepared by the OSCE/ODIHR EOM. The security and safety of observers is of the highest priority and will take precedence in EOM management, including the deployment plan. All observers will receive a security briefing upon arrival and are required to operate in accordance with security guidelines.

The working language of the EOM is English. All briefings, de-briefings and reporting will be conducted in English and all interpreters will work in local languages/English. All STOs must, therefore, have a good working knowledge of both written and spoken English.

The OSCE/ODIHR strongly encourages all observers to undertake the OSCE/ODIHR e-learning course for short-term observers, available at [www.odihrobserver.org](http://www.odihrobserver.org).

## **2. Logistics**

### **a) Contact details**

All logistical arrangements for the STOs will be organized by the EOM under the direction of:

**Ahmad Rasuli**, Operations Expert  
e-mail: [ahmad.rasuli@odih.mn](mailto:ahmad.rasuli@odih.mn); mobile phone: +976 99 61 1983

### **b) Transportation/Accommodation**

All STOs will be met at the Ulaanbaatar “Chinggis Khaan” International Airport by an OSCE/ODIHR EOM representative upon their arrival and transported to their accommodation. Transport and accommodation in Ulaanbaatar and in the areas of observation will be arranged by the EOM. **Due to the limited availability of accommodation in Ulaanbaatar and the observation areas, STOs should be aware that double occupancy per room of observers of the same gender is possible, and relatively modest conditions may be expected in some of the observation areas.**

For safety reasons and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the OSCE/ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars and interpreters.

However, should any of the observers choose not to stay in the accommodation arranged by the OSCE/ODIHR EOM, the seconding States should indicate this while registering on-line. **If the OSCE/ODIHR is not notified in advance, STOs or the respective OSCE participating States will be charged for the cost, regardless of whether the accommodation provided is used.** It should be noted that the EOM cannot provide airport transfers and in-city transportation for STOs who choose to stay outside the designated accommodation.

STOs will deploy from Ulaanbaatar to the regions by bus, train or plane.

The OSCE/ODIHR EOM will make necessary arrangements for the STOs to return to Ulaanbaatar on Friday 1 July, as well as arrange accommodation in Ulaanbaatar. The EOM will arrange transfers to the airport for all STOs.

#### **c) Security**

A memo on security details for the STOs will be handed over to the observers upon arrival. **STOs who choose not to stay in accommodation provided by the OSCE/ODIHR EOM will not be covered by the mission's security arrangements.**

#### **d) What to bring**

Due to potential modest conditions in the regions, STOs are advised to bring with them the following items:

- appropriate attire for election day observation – business casual is recommended;
- torch/flashlight with spare bulb and battery;
- all necessary medication (case-specific);
- electricity converters (if needed) – European style plug.

The OSCE/ODIHR EOM strongly recommends that STOs, when travelling by air, put essential items into the hand luggage, in case of late arrival of their luggage in Ulaanbaatar.

#### **e) Communication**

STO teams will be provided with a mobile phone and a local SIM card with credit. Please note that using mobile phones for international calls and SMSs should be avoided. Such usage is very expensive and will quickly deplete allocated phone credit.

#### **f) Time zone/Flight bookings**

Local time in Ulaanbaatar is UTC/GMT +9 hour. Due to the limited number of scheduled flights to Ulaanbaatar, the OSCE/ODIHR EOM strongly encourages participating States to make early flight bookings. To ensure operational flexibility, (e.g. in case of bad weather conditions), participating States are advised to book changeable airline tickets.

### 3. Interpreters and Drivers

All observers will be organized in multinational teams of two persons under a deployment plan prepared by the OSCE/ODIHR EOM. The OSCE/ODIHR will assist each short-term observer team with finding a driver/car and an interpreter. Even in cases where one team member speaks local languages, it will be necessary for that team to have an interpreter in order that both members of the team can have full access to complete and equal information as they carry on their observation duties.

### 4. Costs

It is projected that, while in country, **each STO** will incur the following costs, although some STOs may not require the full amount indicated below:

<b>Operational/Transportation Cost</b>	<b>EUR</b>
Airport transfers	30
In-City Transportation (movement to and from STO briefing/de-briefing)	30
In-Country Transportation (to and from deployment area)	280
Communication (SIM card/mobile phone use, transmission of the forms)	30
Briefing costs (Briefing, Debriefing, Briefing pack, meals)	180
<b>Estimated cost to be incurred by ODIHR on behalf of STOs</b>	<b>550 EUR</b>
Driver and 4WD vehicle (EUR 30 per day @ 5 days per observer)*	150
Fuel for 4WD vehicle (EUR 35 per day @ 5 days per observer )*	175
Interpreter (EUR 30 per day@5 days per observer)*	150
Accommodation (9 nights [includes the payment for early arrival in Ulaanbaatar if applicable] @ max EUR 130/per night )	1170
Meals & Incidentals (approx. EUR 40 per day @ max 9 days)	360
Accommodation and meals for Interpreter if needed (EUR 40 per night @ 4 nights per observer)*	160
Accommodation and meals for Driver if needed (EUR 40 per night @ 4 nights per observer)*	160
<b>Costs paid directly by the observers</b>	<b>2,325 EUR</b>
<b>Total cost per observer:</b>	<b>2,875 EUR</b>

\* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. for each STO).

The total cost per observer is estimated at **EUR 2,875** (two thousand eight hundred and seventy five Euro), including **EUR 2,325** (two thousand three hundred and twenty five Euro) which the participating States should supply to each observer in cash prior to their departure to Ulaanbaatar.

**EUR 550** (five hundred and fifty Euro) is the projected cost per each STO to be incurred by the OSCE/ODIHR. After closure of the EOM, each seconding State will be billed by the OSCE/ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or Euro. The Euro is widely exchangeable locally, although other currencies can also be exchanged. While there are cash machines (ATMs) in Ulaanbaatar, they do not dispense foreign currency and are not available in some areas of deployment. Hotels outside Ulaanbaatar may not accept credit cards or foreign currency. STOs should be prepared to pay hotel bills outside Ulaanbaatar in cash and upon check-in. Travellers cheques must not be used. The local currency is the Mongolian Tugrug (MNT). The exchange rate is approximately 1 EUR = 2,300 MNT.

## **5. Visas and Insurance**

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of Mongolia prior to arrival. It is strongly recommended to obtain visa before departure.

For STOs without an embassy or consulate of Mongolia in their country of residence, seconding States are requested to inform the OSCE/ODIHR office in Warsaw (Sylwia Zwolinska or Anna Krzysztofik – see below), as soon as possible in order to receive support, if necessary, with issuance of visas.

**IMPORTANT:** All short-term observers should ensure that they arrive with adequate health, accidental/life disability, emergency/medical evacuation, property, theft and accident insurance, as this will not be provided by the OSCE/ODIHR. **STOs must have a copy of their insurance policy with them, as well as two copies of the data page of their passport and the visa (if applicable).**

## **6. Registration and Accreditation Process**

### **Registration of STOs**

After receiving this information sheet, all OSCE participating States sending STOs should submit a **list of names** (first name, last name, passport number) of seconded STOs to OSCE/ODIHR **for the attention of Sylwia Zwolinska or Anna Krzysztofik.**

Local language ability is an asset. STOs must not have any concurrent commitments that could produce a conflict of interest with the EOM.

**The OSCE/ODIHR reserves the right to reject any candidate who is not capable of undertaking his/her activities in an impartial and objective manner, and to withdraw accreditation in case of any serious breach of the OSCE/ODIHR Observer Code of Conduct.**

**DUTIES AND RESPONSIBILITIES**

**Accreditation**

STOs require accreditation from the relevant authority before they can undertake their observer duties. The EOM will forward the names of STOs to the relevant authority in advance to facilitate the accreditation process. An accreditation form for each STO must be submitted in advance of arrival.

**Briefing**

Before deployment, STOs will be provided with an in-depth briefing, which will include:

### **Debriefing**

A debriefing for STOs will be organized after the election. This will provide an opportunity for STOs to discuss their major findings and share their conclusions with other observers and EOM members. The EOM will hold a press conference on the day after the election to present its preliminary findings and conclusions. A comprehensive final report will be issued by the OSCE/ODIHR approximately two months after the election process has been completed, taking into account findings of all observers.
