

Challenges in Transit Transport WG II

Poul Hansen
Trade Logistics Branch
UNCTAD

Ashgabat, March 2008

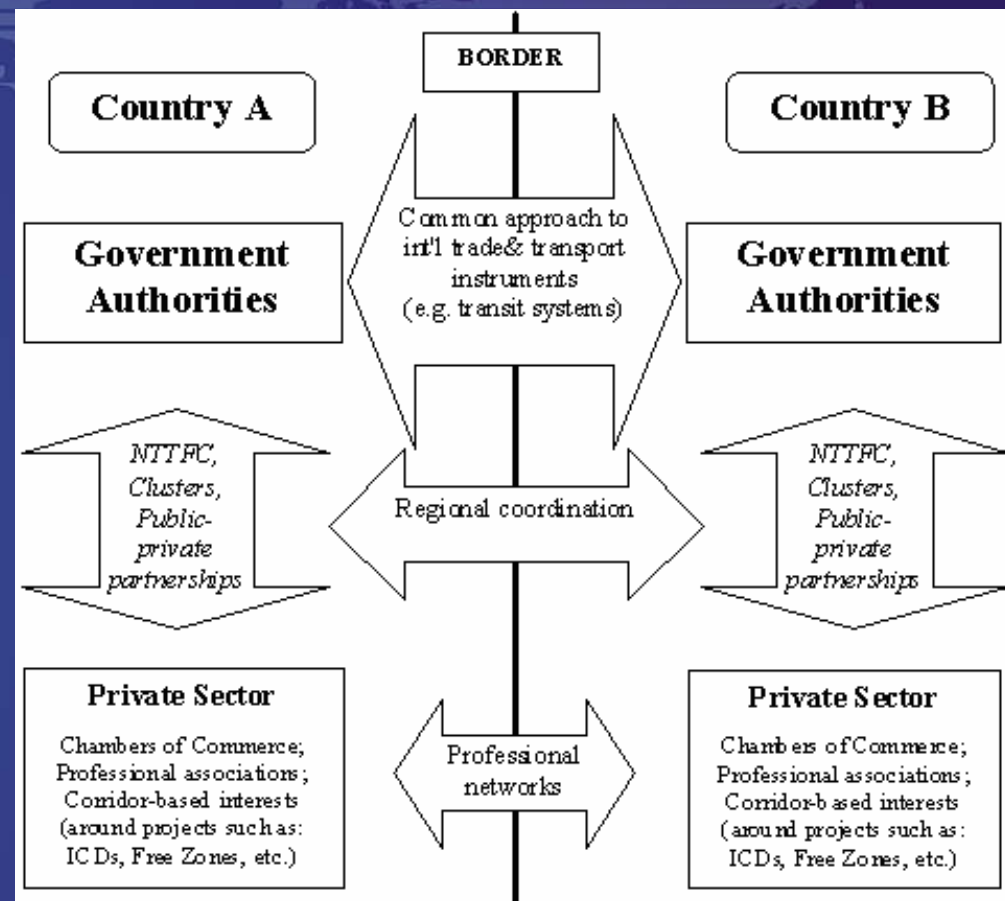

UNITED NATIONS CONFERENCE ON TRADE AND DEVELOPMENT

Transit corridor and cluster approach

Transit corridor and cluster approach

- Private and public sector
- Landlocked and transit country
- Transport service providers & users

Viabile facilitation approach for CA?

Customs and transit computerization

UNCTAD ASYCUDA = IT system & Customs reform

- Electronic single window + advance information
- Efficient Customs clearance and transit monitoring
- Better imports/exports and higher revenue collection
- Risk management
- Regional approach and integration
- + 80 countries, including Georgia, Iran, Moldova etc.

Transit facilitation! Status in CA?
