Delegation of San Marino

**STATEMENT BY
THE DELEGATION OF THE REPUBLIC OF SAN MARINO AT THE
1095th MEETING OF THE OSCE PERMANENT COUNCIL**

7 April 2016

On the terrorist attack in Brussels

Mr. Chairperson,

Joining the condolences offered this morning by all those who took the floor before my delegation, on behalf of my Government, the institutions and the people of the Republic of San Marino, I should like to express our feelings of sincere solidarity with the people and the Government of the Kingdom of Belgium, our dear friends, and in particular with the families of the victims of the attack in Brussels.

Terrorism and extremism are a common threat, and yet a well-co-ordinated strategy is needed which is capable of permanently eradicating the roots of this scourge, which is playing an increasingly prominent role in the international arena.

Thank you, Mr. Chairperson.
