

Lithuanian delegation

Thank you Mr. Moderator,

I would like to exercise my right of reply in connection to the statements, where Lithuania was mentioned. First of all, I would like to stress that all actions taken by the Lithuanian State Institutions against two persons from Latvia were in full compliance with international commitments, the national and EU law, as it was also acknowledged by speakers themselves. Spread of hate speech and instigation of inter-ethnic hatred is banned in Lithuania by Law, in strict compliance with International commitments. If above mentioned persons have any complaints, they can address Lithuanian State Institutions as envisaged by the Law.

I thank you, Mr. Moderator.
