

## **Event-café: «Youth Dialogues about the Post-War Times. The Beginning»**

**Date:** 29 April 2022, 13:30-18:00

**Place and format:** in person in Lviv<sup>1</sup>

**Event's objective:** to launch the process of envisioning of a post-war development of the civic competences of Ukrainian youth

**Participants:** representatives of Ukrainian youth CSOs invited in cooperation with Lviv Youth centre and invited applicants registered via online registration form

Open registration form will be accessible via [this link](#)

### **Description:**

Event-café: «Youth Dialogues about the Post-War Times. The Beginning» will be conducted in the format of the facilitated dialogue between participants - representatives of active youth as a side event of the international conference «*Post-War Times: Reconsidering The Future Of Civil Society*», which will take place in Warsaw, 27-29 April 2022

The first part of the event-café envisages participants meeting, defining common objectives and express expectations. In addition, participants will be engaged to the online panel discussion from the main venue of the conference: «*Why only dictators learn history lessons? History and education as weapons of the war*».

The second part of the event envisages facilitated brainstorming as a reflection to the discussion observed from the main venue, opinions exchange as well about the place and role of youth in the process of development civil society after the war.

### **Results:**

Event-café: «Youth Dialogues about the Post-War Times. The Beginning» will become a place where participants – representatives of the civil society may actively exchange opinions and elaborate on post-war strategy on the following issues:

- how youth and youth centres may envision their place in the process of country building;
- the role of youth in development of civic competences after the war;
- identification of challenges that are youth centres facing and how address them;
- how the young volunteers efforts may be transformed into civic participation after the war;
- how to use passionarity of young activists after the war.

Participants will be able to develop conceptual ideas and will submit them to the final conference document based on the facilitated discussion of above issues. The OSCE Project Co-ordinator in Ukraine will use conceptual ideas in its project activities.

### **Facilitator (TBD):**

**Max Ieligulashvili** – facilitator, trainer, researcher and conflictologist. He possesses solid experience as a trainer since 2009 working with issues of leadership, team-building, project management, human right based approach, anti-discrimination policies implementation and inclusiveness, working with value-based and group conflicts.
