**INTERPRETATIVE STATEMENT UNDER
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE
OF THE ORGANIZATION FOR SECURITY AND
CO-OPERATION IN EUROPE**

By the delegation of the Russian Federation:

“In joining the consensus regarding the Permanent Council decision on the adoption of the timetable of the Twenty-Ninth Meeting of the OSCE Ministerial Council, the Russian Federation expresses its deep disappointment at the fact that once again it proved impossible to reach agreement on a list of international organizations, institutions and initiatives whose representatives will be invited to the Ministerial Council meeting and will have the right to address the meeting and/or distribute written statements, as provided for in the Rules of Procedure of the OSCE. The unacceptability of any hierarchy of international, regional and subregional organizations and associations is also made clear in the Platform for Co-operative Security, which was an integral part of the Charter for European Security signed at the Istanbul Summit in 1999.

We take the position that, in the absence of a Permanent Council decision on the organizational modalities for the Twenty-Ninth Meeting of the OSCE Ministerial Council, representatives of international organizations, institutions and initiatives will be invited to the meeting in accordance with the previous agreed list. In addition, statements by representatives of international organizations, institutions and initiatives during the Ministerial Council meeting should be possible solely in accordance with the Rules of Procedure of the OSCE – only on the basis of an oral consensus decision by all OSCE participating States.

I request that this statement be attached to the adopted decision and included in the journal of today’s meeting of the Permanent Council.”
