

# HATE MONITOR

OCTOBER 2014

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

On 16 October, the Livno Youth Council and the Coalition Uvazavanje organized a visit to all religious institutions and museums in Livno for 61 pupils from two primary schools. The goal of this activity was to highlight the rich diversity within Livno and to strengthen community relations among Livno's youth.

The Hate Monitor provides an update on all hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report each month.
