## **United States Mission to the OSCE**

## **Estonian-Russian Border Agreement**

As delivered by Ambassador Daniel B. Baer to the Permanent Council. Vienna February 20, 2013

As the Department of State press release of February 18, 2014, noted, the United States welcomes the signing of an agreement between the Republic of Estonia and the Russian Federation to demarcate the border between their two nations. We view the agreement as a positive development and a sign of a productive relationship between the two countries. We look forward to the treaty's ratification and implementation.

Thank you, Mr. Chairman.
