

HATE MONITOR

MARCH 2015

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

The BIH Football Association supported Supergradjani/Supergradjanke efforts to combat hate. During the 17th round of the BIH Premier League for men, a unified message against hate and intolerance was read before all 8 games. Fans were encouraged to support fair play and not to use stadiums to provoke hate-related incidents.

The Hate Monitor provides an update on all hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report each month.
