

# HATE MONITOR

FEBRUARY 2021

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

### Highlighted

In February, members of the Coalition against Hate from Gornji Vakuf – Uskoplje supported efforts to prevent gender-based violence in their community. Upon the initiative of the CaH members, all participants engaged in the NisiSama (You are not alone) campaign.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
