**Venue**

The 29th Meeting of the OSCE Ministerial Council takes place at revitalised buildings of the former EC1 Łódź Power Plant located in Łódź.

The city of Łódź, as a former industrial centre, is full of redbrick factories, mansions of former factory owners and astonishing artistic installations. One of them is the first city power plant, which was first operational in 1907. It served the city inhabitants until the beginning of the 21st century. In 2008, the revitalization started of its historic building situated in the New Centre of Łódź.

The Media Centre is located at Łódź-Fabryczna Railway Station that is adjacent to EC1.

Further information about the EC1 is available online: [https://ec1lodz.pl/?language=en](https://ec1lodz.pl/?language=en).
Registration and Accreditation

Access to the EC1 complex and the Media Centre will require an accreditation badge since the entire venue will be a secure area.

Accreditation for Media representatives is mandatory.

Badges must always be worn visible and please note that badges are not transferable.

Online Media registration will be available until **18:00 on 28 November 2022**: https://events.osce.org/2022-29th-ministerial-council-lodz-media/registration.

**Late accreditation will not be possible.**

Currency
Poland’s official currency is the Polish zloty (PLN).

The exchange rate can be found at:

There are automated teller machines (ATM/Bankomat) at the airport arrivals hall and at Łódź-Fabryczna Railway Station, where the Media Registration Desk will be located.

Opening hours for shops
Shops are generally open between 7.00 and 18.00, but hours may vary. On Sundays, shops are generally closed, except for small corner shops that are open between 11.00 and 20.00.

Banks and credit cards
Most banks are open from Monday to Friday from 9:00 to 17:00. Almost all banks have ATMs that accept foreign bankcards and are accessible from outside (look for the “Bankomat” sign).

It is best to contact the issuing bank before departure to check whether a bankcard is valid in Poland.

Credit cards, such as American Express, MasterCard and Visa are widely accepted in Poland.

Electricity
In Poland, power plugs and sockets are of type E, rarely type C. The standard voltage is 230 V and the standard frequency is 50 Hz. Sockets are compatible with most other continental European plugs.

Climate
In December, the daytime temperature in Poland is usually around 1°C. It is often overcast and rain and snow are not unusual.

COVID-19
Pursuant to the currently binding regulations, all restrictions on travel to the Republic of Poland have been lifted, which means there is no obligation to:
- present COVID certificates when crossing the border;
- test for SARS-CoV-2;
- undergo the so-called “entry quarantine”.
