

HATE MONITOR

OCTOBER 2023

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In October, the Mission worked with Jajce's municipal administration and its civil society representatives by facilitating a field visit to Trebinje. The goal of this visit was to benefit and learn from Trebinje's effective institutional strategies in removing offensive graffiti. Jajce's administration plans to integrate new acquired insights into its action plan.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
