OF THE CO-CHAIRS OF GENEVA DISCUSSIONS

04.03.2011

The participants of the Geneva International Discussions completed their fifteenth session.

In Working Group I, the participants reviewed the security situation on the ground, which remains relatively calm. They continued their discussions on the key issues of non-use of force and international security arrangements and on best practices and cooperation, in particular in the field of confidence-building.

In Working Group II, participants reviewed the issues related to the humanitarian situation, including the supply of water and gas, the facilitation of returns and other durable solutions, and property-related issues. Participants also took part in an information session dedicated to the “end of displacement”.

The participants of the Geneva International Discussions agreed to hold their next round on 7th June 2011.
