

Open Call for participation to the training on “DataViz reporting”

Are you a Kosovo based journalist working with online, print or broadcast media? Are you looking to incorporate data in your work in new and captivating ways?

The OSCE Mission is offering a two-day training workshop on Data Visualization for journalists in Kosovo. If you are interested to partake, please register at <https://bit.ly/2wHBsFt> by 27th May, 2018.

The workshops will train journalists to incorporate data into their stories and will cover topics such as: the role of data in the newsroom, ways to find legitimate and relevant data, approaches to analysing data in order to identify compelling stories, and presenting data clearly. They will be conducted by Cactus, a local company specialized in data visualization.

Training date and time: 4-5 June 09:00 to 18:00 hrs, and
6-7 June, from 09:00 to 18:00 hrs

Location: Bashkim Fehmiu, Arbëri 3 BC2/11 V1- L01-S
10000 Prishtinë/Priština

The number of places for the training workshops are limited and subject to a first-come, first-served basis.
