

United States Mission to the OSCE

Session 15 Commitments Regarding Roma and Sinti Right of Reply

As delivered by Dr. Ethel Brooks
OSCE Human Dimension Implementation Meeting
Warsaw, October 5, 2011

I would like to thank the Hungarian delegation for responding to our serious concerns regarding the current dire situation for Roma in Hungary.

I wanted to ask a follow-up question: Do you have any information on the status of the prosecution of the four defendants currently on trial for mass, or serial, murder of Roma in Hungary?

Thank you.
