Following an official invitation from the Central Commission for Elections and Referenda of the Kyrgyz Republic (CEC) and based on the recommendation of the Needs Assessment Mission conducted from 3 to 6 August 2015, the OSCE/ODIHR has established an Election Observation Mission (EOM) to observe the parliamentary elections scheduled for 4 October 2015. Ambassador Boris Frlec has been appointed Head of the OSCE/ODIHR EOM. The mission consists of 15 core team members based in Bishkek, and 22 long-term observers (LTOs) deployed throughout the country. The core team and LTOs come from a total of 19 OSCE participating States.

The OSCE/ODIHR requests participating States to second three hundred fifty (350) short-term observers (STOs) to observe voting, counting, and tabulation of results. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the OSCE/ODIHR EOM. In the interest of a broad and balanced representation among participating States, the OSCE/ODIHR requests that individual participating States nominate only up to 15 per cent of the total number of requested STOs.

Committed to achieving gender balance in its activities, the OSCE/ODIHR encourages OSCE participating States to second equal numbers of female and male STOs.

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the Kyrgyz Republic prior to arrival. In exceptional cases, visas can also be issued on arrival at the airport in Bishkek.

For the purposes of accreditation of observers with the CEC, the attached accreditation form must be filled in and signed, and scanned version sent to the OSCE/ODIHR. In addition to the accreditation form, the CEC requires a scanned copy of the passport.

To facilitate accreditation of observers through the CEC and the issuance of visas (if required), the OSCE/ODIHR online registration form must be completed no later than 15 September 2015. All STOs are required to arrive in Bishkek by Wednesday, 30 September, and depart (at the earliest) on Wednesday, 7 October, in the morning. The STO activity schedule is provided below.

Observers should strictly abide by the OSCE/ODIHR Observer Code of Conduct and deployment plan prepared by the OSCE/ODIHR EOM. The security and safety of observers is of the highest priority and will take precedence in EOM management, including the deployment plan. All observers will receive a security briefing upon arrival and are required to operate in accordance with security guidelines.

The working language of the EOM is English. All briefings, debriefings, and reporting will be conducted in English and all interpreters will work in local languages/English.
All STOs must, therefore, have a good working knowledge of both written and spoken English.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE OSCE/ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

2. Logistics

a) Contact details
All logistical arrangements for the STOs will be organized by the EOM under the direction of:

**Ranko Vukčević**, Operations Expert
ranko.vukcevic@odihr.kg; mobile phone: +996 (0)775 975610

b) Transportation/Accommodation
All STOs will be met at the Manas International Airport by an OSCE/ODIHR EOM representative upon their arrival and transported to their accommodation. Transport and accommodation in Bishkek and in the areas of observation will be arranged by the EOM. **Due to the limited availability of accommodation in Bishkek and the observation areas, STOs should be aware that double occupancy per room of observers of the same gender is very likely, and relatively modest conditions may be expected in some of the observation areas.**
Due to midday check-in times at hotels in Bishkek and since the majority of flights arrive in the very early morning, STOs should be prepared to pay for accommodation on the night/morning of their arrival in Bishkek.

For safety reasons and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the OSCE/ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars, and interpreters.

However, should any of the observers choose not to stay in the accommodation arranged by the OSCE/ODIHR EOM, the seconding States should indicate this while registering on-line. If the OSCE/ODIHR is not notified in advance, STOs or the respective OSCE participating States will be charged for the cost, regardless of whether the accommodation provided is used. It should be noted that the EOM cannot provide airport transfers and in-city transportation for STOs who choose to stay outside the designated accommodation.

STOs will deploy from Bishkek to the regions by plane, bus, or car.

The OSCE/ODIHR EOM will make necessary arrangements for the STOs to return to Bishkek on Tuesday, 6 October, as well as arrange accommodation in Bishkek. The EOM will arrange transfers to the airport for all STOs.

c) Security
A memo on security details for the STOs will be provided to observers upon their arrival. STOs who choose not to stay in accommodation provided by the OSCE/ODIHR EOM will not be covered by the mission’s security arrangements.

d) What to bring
Due to potentially modest conditions in the regions, STOs are advised to bring with them the following items:

- Appropriate attire for election day observation – business casual is recommended;
- Torch/flashlight with spare bulb and battery;
- All necessary medication (case-specific);
- Electricity converters (if needed) – European-style plug.

The OSCE/ODIHR EOM strongly recommends that STOs, when travelling by air, put essential items into the hand luggage, in case of late arrival of their luggage in Bishkek.

e) Communication
All STOs will be provided with a mobile phone and a local SIM card with credit. Please note that using mobile phones for international calls and SMSs should be avoided. Such usage is very expensive and will quickly deplete allocated phone credit.

f) Time zone/Flight bookings
Local time in Bishkek is UTC/GMT +6 hour. Due to the limited number of scheduled flights to Bishkek, the OSCE/ODIHR EOM strongly encourages participating States to make early flight bookings. To ensure operational flexibility, (e.g. in case of bad weather conditions), participating States are advised to book changeable airline tickets.
3. Interpreters and Drivers

All observers will be organized in multinational teams of two persons under a deployment plan prepared by the OSCE/ODIHR EOM. The OSCE/ODIHR EOM will assist each short-term observer team with finding a driver/car and an interpreter. Even in cases where one team member speaks local languages, it will be necessary for that team to have an interpreter in order for both members of the team to have full access to complete and equal information as they carry on their observation duties.

4. Costs

It is projected that, while in country, each STO will incur the following costs, although some STOs may not require the full amount indicated below:

<table>

<tr>

<td>EUR 2,065</td>
</tr>
<tr>
<td>Total cost per observer:</td>
<td>EUR 2,375</td>
</tr>
</tbody>
</table>
* The two members of each STO team will equally share the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. for each STO).

The total cost per observer is estimated at **EUR 2,375** (two thousand three hundred and seventy five Euro), including **EUR 2,065** (two thousand and sixty five Euro), which the participating States should supply to each observer in cash prior to their departure to Bishkek.

**EUR 310** (three hundred and ten Euro) is the projected cost per each STO to be incurred by the OSCE/ODIHR. After closure of the EOM, each seconding State will be billed by the OSCE/ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or Euro. The Euro is widely exchangeable locally, although other currencies can also be exchanged. While there are cash machines (ATMs) in Bishkek, they do not dispense Euro and are not available in some areas of deployment. Hotels outside Bishkek may not accept credit cards or foreign currency. STOs should be prepared to pay hotel bills outside Bishkek in cash and upon check-in. Travellers cheques must not be used. The local currency is the Kyrgyz som (KGS). The exchange rate is approximately 1 EUR = 69 KGS.

5. **Visas and Insurance**

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the Kyrgyz Republic prior to arrival. It is strongly recommended to obtain visa before departure.

For STOs without an embassy or consulate of the Kyrgyz Republic in their country of residence, seconding States are requested to inform the OSCE/ODIHR office in Warsaw (Sylwia Zwolinska or Anna Krzysztofik – see below), as soon as possible in order to receive support, if necessary, with issuance of visas.

STOs receiving a visa at the airport must have two passport-size photographs with them. Issuance of visas at the airport costs approximately 70 USD (preferred currency) or the equivalent amount in EURO. STOs should have the exact amount of banknotes prepared.

**IMPORTANT:** All short-term observers should ensure that they arrive with adequate health, accidental/life disability, emergency/medical evacuation, property, theft and accident insurance, as this will not be provided by the OSCE/ODIHR. **STOs must have a copy of their insurance policy with them, and of their visa (if applicable).**

6. **Registration and Accreditation Process**

After receiving this information sheet, all OSCE participating States sending STOs should submit a list of names (first name, last name, passport number) of seconded STOs to OSCE/ODIHR for the attention of Sylwia Zwolinska or Anna Krzysztofik.

Sylwia Zwolinska, Senior Administrative Assistant
Telephone number: +48 22 520 06 00, ext. 5676; fax number: +48 22 520 06 06
sylwia.zwolinska@odihr.pl
An official cover letter from MFA or designated recruitment organizations should be sent together with the list of STO names.

After submitting the list of STOs, the sending State should register each of their proposed candidates online using the Registration Form available at: http://stodb.odihr.pl

**This on-line Registration Form will be available from 4 September until 15 September 2015.**

Before using the on-line registration system, the sending State should contact the OSCE/ODIHR, Sylwia Zwolinska or Anna Krzysztofik, and obtain a username and a password. These parameters are necessary to enter the registration system.

**Accreditation of STOs**

For accreditation to be completed in accordance with the requirements of the CEC, each STO application must include:
- an electronic version of her/his passport page with a photo in JPG or PDF format
- a scanned electronic version, in JPG or PDF format, of the signed and fully completed Application Form for International Observer, attached hereto.

**IN ORDER TO MAKE ALL LOGISTICAL ARRANGEMENTS ON TIME, NO APPLICATIONS WILL BE CONSIDERED BY THE OSCE/ODIHR UNDER ANY CIRCUMSTANCES AFTER 15 September 2015.**

**7. Other Information**

Please note that all OSCE/ODIHR election observation interim reports, preliminary statements, final reports, electoral laws, and reviews of electoral laws are available at the OSCE/ODIHR website: [www.osce.org/odihr](http://www.osce.org/odihr).

Specific information on the EOM is available on the EOM website: [http://www.osce.org/odihr/elections/kyrgyzstan/177111](http://www.osce.org/odihr/elections/kyrgyzstan/177111)

All STOs will receive by e-mail a copy of the OSCE/ODIHR EOM Observer Guide before their departure to Bishkek.
Short-Term Observer (STO)

Title of Supervisor: Head of the OSCE/ODIHR Election Observation Mission (EOM)

STOs are deployed throughout the country in multinational two-person teams to assess the close of the campaign, voting, counting and the tabulation of results. Participating States are urged to second STOs with relevant election experience and inter-personal skills.

STOs must adhere to the OSCE/ODIHR Observer Code of Conduct, as outlined in the OSCE/ODIHR Election Observation Handbook, security instructions and national laws.

Requirements

1. Experience of election administration, observation and/or public administration and/or civil society organisations.
2. English language proficiency.
3. Excellent health.
4. Willingness to work long hours in conditions which are sometimes difficult.
5. Ability to work in a team and deal with difficult situations in a positive manner.

Knowledge of the country and surrounding region is desirable but not essential. STOs must be prepared to read briefing materials, attend briefing and debriefing sessions, understand procedural instructions and complete evaluation forms accurately, all in English. Local language ability is an asset. STOs must not have any concurrent commitments that could produce a conflict of interest with the EOM.

The OSCE/ODIHR reserves the right to reject any candidate who is not capable of undertaking his/her activities in an impartial and objective manner, and to withdraw accreditation in case of any serious breach of the OSCE/ODIHR Observer Code of Conduct.

Duties and Responsibilities

Accreditation

STOs require accreditation from the relevant authority before they can undertake their observer duties. The EOM will forward the names of STOs to the relevant authority in advance to facilitate the accreditation process. A passport data page scan, signed CEC accreditation form (as attached to this document), ID Photo (preferably JPEG) for each seconded STO must be submitted in advance of arrival.

Briefing

Before deployment, STOs will be provided with an in-depth briefing, which will include:

- code of conduct;
• legislative framework;
• overview of the country, campaign and the media situation;
• voting, counting, and tabulation procedures;
• observation forms;
• security situation; and
• logistical and financial arrangements.

STOs will also be provided with briefing materials which will include all necessary electoral and logistics information, as well as observation forms to complete during the observation of voting, counting, and vote tabulation.

STOs are requested to familiarize themselves with the OSCE/ODIHR Election Observation Handbook, available online at www.osce.org/odihr/elections/68439.

Deployment

The OSCE/ODIHR EOM will develop a deployment plan. STOs should abide strictly by the deployment plan and security instructions. STOs should not request special treatment with regard to deployment locations.

Debriefing

A debriefing for STOs will be organized after the elections. This will provide an opportunity for STOs to discuss their major findings and share their conclusions with other observers and EOM members. The EOM will hold a press conference on the day after the elections to present its preliminary findings and conclusions. A comprehensive final report will be issued by the OSCE/ODIHR approximately two months after the election process has been completed, taking into account findings of all observers.
OSCE/ODIHR OBSERVER CODE OF CONDUCT

• Observers will maintain strict impartiality in the conduct of their duties and will, at no time, publicly express or exhibit any bias or preference in relation to national authorities, parties, candidates, or with reference to any issues in contention in the election process.

• Observers will undertake their duties in an unobtrusive manner and will not interfere in the election process. Observers may raise questions with election officials and bring irregularities to their attention, but they must not give instructions or countermand their decisions.

• Observers will remain on duty throughout Election Day, including observation of the vote count and, if instructed, the next stage of tabulation.

• Observers will base all conclusions on their personal observations or on clear and convincing facts or evidence.

• Observers will not make any comments to the media on the election process or on the substance of their observations, and any comment to the media will be limited to general information about the observation mission and the role of the observers.

• Observers will not take any unnecessary or undue risks. Each observer’s personal safety overrides all other considerations.

• Observers will carry any prescribed identification issued by the host government or election commission and will identify themselves to any authority upon request.

• Observers will comply with all national laws and regulations.

• Observers will exhibit the highest levels of personal discretion and professional behaviour at all times.

• Observers will attend all required mission briefings and debriefings and adhere to the deployment plan and all other instructions provided by the OSCE/ODIHR Election Observation Mission.
