STATEMENT BY
THE REPRESENTATIVE OF THE EUROPEAN UNION

The delegation of Estonia, in its capacity as EU Presidency, passed the floor to the representative of the European Union, who delivered the following statement:

The European Union would like to congratulate the Austrian OSCE Chairmanship on the successful conclusion of the four senior appointments. We thank them and last year’s German OSCE Chairmanship for all their efforts to ensure the appointments of the Secretary General, the Director of the Office for Democratic Institutions and Human Rights, the High Commissioner on National Minorities, and the Representative on Freedom of the Media. We welcome the conclusion of this unduly lengthy process. We would like to thank all the candidates who put themselves forward for these important positions, and congratulate the new mandate holders.

The European Union underlines its full support for the mandates and the independence of the OSCE autonomous institutions, which require strong leadership. Nothing in the adopted decisions should be interpreted as weakening this autonomy or restricting the work of the newly appointed mandate holders.

We also offer our thanks to those who have provided continued leadership of the Secretariat and the institutions over this period.

We wish all new appointed officials all the best in executing their mandates.

The candidate countries the former Yugoslav Republic of Macedonia¹, Montenegro¹, Serbia¹ and Albania¹, the country of the Stabilisation and Association Process and potential candidate Bosnia and Herzegovina, and the EFTA country Liechtenstein, member of the European Economic Area, as well as Ukraine, the Republic of Moldova, Andorra and San Marino align themselves with this statement.

---

¹ The former Yugoslav Republic of Macedonia, Montenegro, Serbia and Albania continue to be part of the Stabilisation and Association Process.
Mr. Chairperson,

Canada sincerely thanks the Austrian Chairmanship of the OSCE for having brought to conclusion this difficult and unnecessarily drawn-out process. This is particularly true for the positions of High Commissioner on National Minorities and of Representative on Freedom of the Media, where repeated objections and delays imposed by one participating State drove our Organization into an untenable situation where the four most senior leadership positions of the OSCE were vacant.

Although we feel strongly that an even more optimal outcome could have been achieved, we welcome the fact that all four positions have now been successfully filled, with three out of the four positions filled through fair and merit-based selection processes.

We congratulate all four nominees on their appointments and trust that they will carry out their duties in line with the principles, values and commitments of the OSCE, in accordance with their respective mandates and with full appreciation for the autonomous nature of the HCNM, the RFOM and the OD Ish.

Canada remains committed to supporting the important work carried out by the OSCE and its institutions and we look forward to excellent co-operation with the new Secretary General and each head of institution, as well as their respective teams.

We request that this statement be attached to the journal of the day.

Thank you.

To the Ministers for Foreign Affairs of the OSCE participating States
DECISION No. 1/17
APPOINTMENT OF THE OSCE HIGH COMMISSIONER ON NATIONAL MINORITIES

The Ministerial Council,

Recalling the decision of the CSCE Helsinki Summit 1992 to establish a High Commissioner on National Minorities,

Reaffirming the necessity that the OSCE High Commissioner on National Minorities carries out his functions in full compliance with the OSCE principles, commitments and decisions as well as with the mandate of the OSCE High Commissioner on National Minorities,

Considering that the term of office of the OSCE High Commissioner on National Minorities, Ms. Astrid Thors, came to an end on 19 August 2016,

Taking into consideration the recommendation of the Permanent Council,

Decides to appoint Mr. Lamberto Zannier as OSCE High Commissioner on National Minorities for a period of three years with effect from 19 July 2017.
By the delegation of Kazakhstan:

“Thank you, Mr. Chairperson.

The delegation of Kazakhstan would like to make the following interpretative statement under paragraph IV.1(A)6 of the OSCE Rules of Procedure in connection with the adoption of Ministerial Council decisions on the appointments of a new OSCE Secretary General and new heads of institutions.

We welcome the fact that eventually we reached consensus on this matter and appreciate all efforts of the Austrian Chairmanship regarding these appointments. Although, the decisions were not adopted in due time.

Let me warmly welcome Mr. Thomas Greminger (Switzerland) as OSCE Secretary General; Ms. Ingibjörg Sólrún Gísladóttir (Iceland) as Director of OSCE Office for Democratic Institutions and Human Rights; Mr. Lamberto Zannier (Italy) as OSCE High Commissioner on National Minorities; and Mr. Harlem Désir (France) as OSCE Representative on Freedom of the Media to the Permanent Council meeting and congratulate them on respective appointments. I would like to wish all the success to all of you in your new capacities.

At the same time, we regretfully note the absence of fair geographical balance among leading representatives of the OSCE, not only among newly appointed heads of institutions, but also historically among previous incumbents since the very establishment of the OSCE. We hope that this practice will be halted in the future.

For this, we encourage to use a GRIP approach, where G stands for Gender Balance, R stands for Regional Balance, I stands for Interfaith Balance and P stands for Professional Balance.

From the procedural prospective, we note the “broad interpretation” of existing established practice of candidates’ nomination, although we understand that the Chairmanship has done that for the sake of consensus.

We call on all participating States to ensure further institutionalization of our Organization through the adoption of the OSCE Charter which will contain, inter alia, a clear
set of rules and procedures related to the processes of nomination, selection and appointment to the OSCE leading posts. We are confident that it will help us to avoid the burdens of last selection process in the year 2016–2017.

Mr. Chairperson, I request that this interpretative statement be attached to all four decisions and included in the journal of the day.”
INTERPRETATIVE STATEMENT UNDER PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE OF THE ORGANIZATION FOR SECURITY AND CO-OPERATION IN EUROPE

By the delegation of the Russian Federation (also on behalf of Armenia, Kyrgyzstan and Tajikistan):

“Our countries joined the consensus on the decisions by the OSCE Ministers for Foreign Affairs on the appointment of the new OSCE Secretary General, the new Director of the Office for Democratic Institutions and Human Rights, the new High Commissioner on National Minorities and the new Representative on Freedom of the Media, the silence procedure for which expired on 18 July. Thus, from 19 July, Mr. Thomas Greminger assumed responsibilities as the new Secretary General, Ms. Ingibjörg Sólrun Gísladóttir as the new Director of the Office for Democratic Institutions and Human Rights, Mr. Lamberto Zannier as the new High Commissioner on National Minorities and Mr. Harlem Désir as the new Representative on Freedom of the Media. We congratulate them on their lofty appointments. We wish them every success in their responsible positions.

At the same time, we should like to point out the unacceptability of the situation in which throughout all the years of the OSCE’s existence there has never been a single representative of our countries in the leadership of its executive structures. Steps need to be taken to rectify such a bias, which contravenes the fundamental principles of the OSCE’s work and its procedural norms establishing the equality of all participating States and their equal opportunity to be involved in the leadership of the Secretariat, its departments and the institutions of the Organization.

We trust that in future appointments to leading positions in the OSCE executive structures our concerns will be fully taken into account.

We hope that the aforementioned executive structures will work effectively in strict accordance with their mandates and taking into account the opinions of all participating States and also on the basis of a constructive approach on the part of the newly appointed heads.

I request that this statement be appended to all the decisions adopted, and included in the journal of the day.”
INTERPRETATIVE STATEMENT UNDER PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE OF THE ORGANIZATION FOR SECURITY AND CO-OPERATION IN EUROPE

By the delegation of the United States of America:

“Thank you, Mr. Chairperson.

In connection with the adoption of the decision for the appointment of the OSCE High Commissioner on National Minorities (HCNM), the United States would like to make the following interpretative statement under paragraph IV.1(A)6 of the OSCE Rules of Procedure.

The United States welcomes the appointment of Ambassador Lamberto Zannier. We fully respect the autonomy and support the work of the HCNM.

Unfortunately, in recent years, there has been pressure from some participating States to weaken the OSCE’s autonomous institutions and cut resources for them. Nothing in this decision should be interpreted to diminish the autonomy of or restrict the work of the High Commissioner on National Minorities in the exercise of his or her mandate.

Finally, the United States underscores that it is the OSCE participating States which have adopted our principles, commitments and decisions and it is first and foremost the responsibility of participating States to implement them.

I request that this interpretative statement be attached to the decision and that it be included in the journal of the day.

Thank you, Mr. Chairperson.”
INTERPRETATIVE STATEMENT UNDER PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE OF THE ORGANIZATION FOR SECURITY AND CO-OPERATION IN EUROPE

By the delegation of Azerbaijan:

“While joining the consensus on the Ministerial Council decision on the appointment of the OSCE High Commissioner on National Minorities, the delegation of the Republic of Azerbaijan would like to make an interpretative statement under paragraph IV.1(A)6 of the Rules of Procedure of the OSCE.

The delegation of the Republic of Azerbaijan continues to be of the strong view that the OSCE executive structures and field missions are the common assets of all 57 OSCE participating States, providing that they act in full compliance with the OSCE principles, commitments and decisions as well as with their respective mandates and by no means harm the legitimate interests of participating States. Principles of accountability, transparency and efficiency, as well as scrupulous implementation of their respective mandates by heads of the institutions and field missions are the prerequisites for extending collective support of participating States to activities of OSCE institutions and field missions.

Furthermore, selection of the candidates for leadership positions within the Organization revealed once again already intolerable geographic imbalance in OSCE recruitment process. It underscored the urgent need to improve fair geographic representation within the Organization’s executive structures from unrepresented participating States.

The decision in no way sets a precedent and we strongly encourage the current Austrian and incoming Italian OSCE Chairmanships to submit promptly a proposal on establishing a mechanism that would ensure stronger application in practice of the principle of fair geographic distribution of posts in OSCE. This will help ensuring a sense of ownership of the Organization and rebuilding trust and confidence in the OSCE. Such a mechanism will assist participating States in proper planning and nominating candidates for vacancies, including for the next selection process of heads of OSCE executive structures.

The delegation of the Republic of Azerbaijan requests that this statement be attached to the adopted decision and be included in the journal of the day.

Thank you, Mr. Chairperson.”
DECISION No. 2/17
APPOINTMENT OF THE OSCE REPRESENTATIVE ON FREEDOM OF THE MEDIA

The Ministerial Council,

Recalling Permanent Council Decision No. 193 of 5 November 1997 on establishing an OSCE Representative on Freedom of the Media,

Reaffirming the necessity that the Representative on Freedom of the Media carries out his functions in full compliance with the OSCE principles, commitments and decisions as well as with the mandate of the Representative on Freedom of the Media,

Considering that, according to Ministerial Council Decision No. 1/16, the term of office of the Representative on Freedom of the Media, Ms. Dunja Mijatović, expired on 10 March 2017,

Taking into account the recommendation of the Permanent Council,

Decides to appoint Mr. Harlem Désir as Representative on Freedom of the Media for a period of three years with effect from 19 July 2017.
By the delegation of Kazakhstan:

“Thank you, Mr. Chairperson.

I would like to wish all the success to all of you in your new capacities.

set of rules and procedures related to the processes of nomination, selection and appointment to the OSCE leading posts. We are confident that it will help us to avoid the burdens of last selection process in the year 2016–2017.

Mr. Chairperson, I request that this interpretative statement be attached to all four decisions and included in the journal of the day.”
By the delegation of the Russian Federation (also on behalf of Armenia, Kyrgyzstan and Tajikistan):

“Our countries joined the consensus on the decisions by the OSCE Ministers for Foreign Affairs on the appointment of the new OSCE Secretary General, the new Director of the Office for Democratic Institutions and Human Rights, the new High Commissioner on National Minorities and the new Representative on Freedom of the Media, the silence procedure for which expired on 18 July. Thus, from 19 July, Mr. Thomas Greminger assumed responsibilities as the new Secretary General, Ms. Ingibjörg Sólrún Gísadóttir as the new Director of the Office for Democratic Institutions and Human Rights, Mr. Lamberto Zannier as the new High Commissioner on National Minorities and Mr. Harlem Désir as the new Representative on Freedom of the Media. We congratulate them on their lofty appointments. We wish them every success in their responsible positions.

At the same time, we should like to point out the unacceptability of the situation in which throughout all the years of the OSCE’s existence there has never been a single representative of our countries in the leadership of its executive structures. Steps need to be taken to rectify such a bias, which contravenes the fundamental principles of the OSCE’s work and its procedural norms establishing the equality of all participating States and their equal opportunity to be involved in the leadership of the Secretariat, its departments and the institutions of the Organization.

We trust that in future appointments to leading positions in the OSCE executive structures our concerns will be fully taken into account.

We hope that the aforementioned executive structures will work effectively in strict accordance with their mandates and taking into account the opinions of all participating States and also on the basis of a constructive approach on the part of the newly appointed heads.

I request that this statement be appended to all the decisions adopted, and included in the journal of the day.”
By the delegation of Azerbaijan:

“While joining the consensus on the Ministerial Council decision on the appointment of the OSCE Representative on Freedom of the Media, the delegation of the Republic of Azerbaijan would like to make an interpretative statement under paragraph IV.1(A)6 of the Rules of Procedure of the OSCE.

The delegation of the Republic of Azerbaijan continues to be of the strong view that the OSCE executive structures and field missions are the common assets of all 57 OSCE participating States, providing that they act in full compliance with the OSCE principles, commitments and decisions as well as with their respective mandates and by no means harm the legitimate interests of participating States. Principles of accountability, transparency and efficiency, as well as scrupulous implementation of their respective mandates by heads of the institutions and field missions are the prerequisites for extending collective support of participating States to activities of OSCE institutions and field missions.

Furthermore, selection of the candidates for leadership positions within the Organization revealed once again already intolerable geographic imbalance in OSCE recruitment process. It underscored the urgent need to improve fair geographic representation within the Organization’s executive structures from unrepresented participating States.

The decision in no way sets a precedent and we strongly encourage the current Austrian and incoming Italian OSCE Chairmanships to submit promptly a proposal on establishing a mechanism that would ensure stronger application in practice of the principle of fair geographic distribution of posts in OSCE. This will help ensuring a sense of ownership of the Organization and rebuilding trust and confidence in the OSCE. Such a mechanism will assist participating States in proper planning and nominating candidates for vacancies, including for the next selection process of heads of OSCE executive structures.

The delegation of the Republic of Azerbaijan requests that this statement be attached to the adopted decision and be included in the journal of the day.

Thank you, Mr. Chairperson.”
INTERPRETATIVE STATEMENT UNDER PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE OF THE ORGANIZATION FOR SECURITY AND CO-OPERATION IN EUROPE

By the delegation of the United States of America:

“Thank you, Mr. Chairperson.

In connection with the adoption of the decision for the appointment of the OSCE Representative on Freedom of the Media (RFOM), the United States would like to make the following interpretative statement under paragraph IV.1(A)6 of the OSCE Rules of Procedure.

The United States welcomes the appointment of Harlem Désir. We fully respect the autonomy and support the work of the RFOM.

Unfortunately, in recent years, there has been pressure from some participating States to weaken the OSCE’s autonomous institutions and cut resources for them. Nothing in this decision should be interpreted to diminish the autonomy of or restrict the work of the Representative on Freedom of the Media in the exercise of his or her mandate.

Finally, the United States underscores that it is the OSCE participating States which have adopted our principles, commitments and decisions and it is first and foremost the responsibility of the participating States to implement them.

I request that this interpretative statement be attached to the decision and that it be included in the journal of the day.

Thank you, Mr. Chairperson.”
DECISION No. 3/17
APPOINTMENT OF THE DIRECTOR OF THE OFFICE FOR
DEMOCRATIC INSTITUTIONS AND HUMAN RIGHTS

The Ministerial Council,

Recalling the decision of the Ministerial Council taken at its second meeting in Prague in 1992 concerning the development of the Office for Democratic Institutions and Human Rights (ODIHR),

Reaffirming the necessity that the Director of the ODIHR carries out her functions in full compliance with the OSCE principles, commitments and decisions as well as with the mandate of the ODIHR,

Considering that, according to Ministerial Council Decision No. 1/14, the term of office of the current Director of the ODIHR, Mr. Michael Georg Link, expired on 30 June 2017,

Taking into account the recommendation of the Permanent Council,

Decides to appoint Ms. Ingibjörg Solrun Gisladóttir as Director of the ODIHR for a period of three years with effect from 19 July 2017.
INTERPRETATIVE STATEMENT UNDER PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE OF THE ORGANIZATION FOR SECURITY AND CO-OPERATION IN EUROPE

By the delegation of Kazakhstan:

“Thank you, Mr. Chairperson.

The delegation of Kazakhstan would like to make the following interpretative statement under paragraph IV.1(A)6 of the OSCE Rules of Procedure in connection with the adoption of Ministerial Council decisions on the appointments of a new OSCE Secretary General and new heads of institutions.

We welcome the fact that eventually we reached consensus on this matter and appreciate all efforts of the Austrian Chairmanship regarding these appointments. Although, the decisions were not adopted in due time.

Let me warmly welcome Mr. Thomas Greminger (Switzerland) as OSCE Secretary General; Ms. Ingibjörg Sólrún Gísladóttir (Iceland) as Director of OSCE Office for Democratic Institutions and Human Rights; Mr. Lamberto Zannier (Italy) as OSCE High Commissioner on National Minorities; and Mr. Harlem Désir (France) as OSCE Representative on Freedom of the Media to the Permanent Council meeting and congratulate them on respective appointments. I would like to wish all the success to all of you in your new capacities.

At the same time, we regretfully note the absence of fair geographical balance among leading representatives of the OSCE, not only among newly appointed heads of institutions, but also historically among previous incumbents since the very establishment of the OSCE. We hope that this practice will be halted in the future.

For this, we encourage to use a GRIP approach, where G stands for Gender Balance, R stands for Regional Balance, I stands for Interfaith Balance and P stands for Professional Balance.

From the procedural prospective, we note the “broad interpretation” of existing established practice of candidates’ nomination, although we understand that the Chairmanship has done that for the sake of consensus.

We call on all participating States to ensure further institutionalization of our Organization through the adoption of the OSCE Charter which will contain, inter alia, a clear
set of rules and procedures related to the processes of nomination, selection and appointment to the OSCE leading posts. We are confident that it will help us to avoid the burdens of last selection process in the year 2016–2017.

Mr. Chairperson, I request that this interpretative statement be attached to all four decisions and included in the journal of the day.”

By the delegation of Austria:

“In line with paragraph IV.1(A)6 of the OSCE Rules of Procedure, we would like to make the following interpretative statement:

The appointments of the new heads of institutions and the new OSCE Secretary General are a crucial step towards ensuring the functionality and effectiveness of our Organization. They are a very important testimony to the interest of participating States in this Organization, its goals and values, and their ability to come to agreements on such important and political questions.

Therefore, we very much welcome the consensus reached on the appointments and we thank participating States for their support and spirit of compromise in this respect.

As expressed by the Chairperson-in-Office Minister Sebastian Kurz at the informal meeting of OSCE Foreign Ministers in Mauerbach, we will continue to pay great attention to issues such as competence, gender, and the need for all parts of our area, from Vancouver to Vladivostok, to be represented throughout our Organization.

The appointment of all four senior staff at the same time represents a unique situation and also an opportunity for a fresh start in the Organization in general and in the interaction between institutions and participating States in particular. In addition, it is an opportunity to further develop our culture of communication.

The Chairmanship acknowledges the need for the continuous improvement and further strengthening of the quality of dialogue between institutions and participating States. As a concrete measure, we will foster closer co-operation and regular contact with the newly appointed mandate holders. In this context, we deem the continuation of a process of reflection to be useful.

We would like to recall the priorities and principles of the Austrian OSCE Chairmanship, in particular rebuilding trust in our Organization and in our institutions. Based on these principles, we see the need to address any friction through dialogue. The Chairmanship is ready to facilitate this dialogue whenever necessary.
We call on the mandate holders to carry out their functions in full compliance with the OSCE principles, commitments and decisions as well as in line with their respective mandates.

This interpretative statement will be attached to the Ministerial Council decision on the appointment of the Director of the ODIHR.”
DECISION No. 4/17
APPOINTMENT OF THE OSCE SECRETARY GENERAL

The Ministerial Council,

Recalling the decision of the Third Meeting of the OSCE Ministerial Council in Stockholm in 1992 to establish the post of Secretary General, Ministerial Council Decision No. 15/04 of 7 December 2004 on the role of the OSCE Secretary General, Ministerial Council Decision No. 18/06 on further strengthening the effectiveness of OSCE executive structures and Ministerial Council Decision No. 3/08 of 22 October 2008 on the periods of service of the OSCE Secretary General,

The United States welcomes the appointment of Ambassador Thomas Greminger. We support the work of the Secretary General and the OSCE Secretariat.

We recall that the Secretary General derives his/her authority from the collective decisions of the participating States and acts under the guidance of the Chairman-in-Office. He or she is the Chief Administrative Officer of the OSCE, and is tasked, among other things, to act as the representative of the Chairperson-in-Office and support him or her in all activities aimed at fulfilling the goals of the OSCE. DECISION No. 1264
EXTENSION OF THE DEPLOYMENT OF OSCE OBSERVERS TO TWO RUSSIAN CHECKPOINTS ON THE RUSSIAN-UKRAINIAN BORDER

The Permanent Council,

Recalling its Decision No.1130 of 24 July 2014 on the deployment of OSCE observers to two Russian checkpoints on the Russian-Ukrainian border (PC.DEC/1130),

Decides:

1. To extend the mandate of the deployment of OSCE observers to the two Russian border checkpoints of Donetsk and Gukovo on the Russian-Ukrainian border until 31 October 2017;

2. To approve the arrangements and the financial and human resources for the Observer Mission as contained in document PC.ACMF/31/17. In this respect, authorizes the use of 291,100 euros from the 2015 and 2016 cash surpluses to fund the proposed budget for the duration of the mandate to 31 October 2017.
INTERPRETATIVE STATEMENT UNDER PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE OF THE ORGANIZATION FOR SECURITY AND CO-OPERATION IN EUROPE

By the delegation of Ukraine:

“Mr. Chairperson,

In connection with the Permanent Council decision on the extension of the deployment of OSCE observers to two Russian checkpoints on the Russian-Ukrainian border, the delegation of Ukraine would like to make the following interpretative statement under paragraph IV.1(A)6 of the Rules of Procedure of the Organization for Security and Co-operation in Europe.

The delegation of Ukraine consistently reiterates the importance of having a substantial and broad OSCE monitoring on the Russian side of the Ukrainian-Russian border adjacent to certain areas of Donetsk and Luhansk oblasts of Ukraine. It is not a matter of ‘goodwill’ on the part of Russia, but a matter of implementation of undertaken commitments.

Having signed the Minsk Protocol of 5 September 2014, the Russian Federation undertook to ensure permanent monitoring of the Ukrainian-Russian State border and its verification by the OSCE with the formation of a security zone in the border areas of Ukraine and the Russian Federation.

Expanding the mandate of the OSCE Observer Mission at the Russian checkpoints ‘Gukovo’ and ‘Donetsk’ to all sections of the border adjacent to certain areas of the Donetsk and Luhansk oblasts of Ukraine is critical for sustainable de-escalation and peaceful resolution of the conflict, started by Russia.

We deeply regret that the Russian Federation continues to oppose expansion of the mandate of the OSCE Observer Mission at the Russian checkpoints ‘Gukovo’ and ‘Donetsk’ to all sections of the border that is temporarily not under control of the Ukrainian authorities. Such obstruction on the part of Russia can only be attributed to its unchanged position on continuing its aggression against Ukraine in Donbas, including by supplying heavy weapons, military equipment, regular troops, fighters and mercenaries, sponsoring and financing terrorist acts in the territory of Ukraine. We emphasize that these actions by Russia constitute internationally wrongful acts, which entail international responsibility of the Russian Federation. We reiterate our call on Russia to cease these acts, to offer appropriate assurances of their non-repetition, as well as to make full reparation for the injury caused thereby.
In this connection the delegation of Ukraine recalls that Russia has not responded to requests for explanations on the OSCE SMM reported presence in the certain areas of Donetsk and Luhansk oblasts of Ukraine of sophisticated modern Russian weapons and military equipment, including the jamming system R-330 ‘Zhitel’, heavy flame-thrower system ‘Buratino’, portable flame-thrower ‘Shmel’, ‘Grad P’, UAV ‘Orlan-10’, used exclusively by the Russian armed forces.

We call upon the Russian Federation to demonstrate its full commitment to the implementation of the Minsk agreements in good faith and to allow comprehensive permanent monitoring by the OSCE on the Russian side of the Ukrainian-Russian State border adjacent to the certain areas of the Donetsk and Luhansk oblasts with establishment of a security zone in border areas of Ukraine and the Russian Federation.

The delegation of Ukraine requests that this statement be attached to the decision and registered in the journal of the day.

Thank you, Mr. Chairperson.”
The delegation of Estonia, in its capacity as EU Presidency, passed the floor to the representative of the European Union, who delivered the following statement:

“In connection with the decision of the Permanent Council on the extension of the deployment of OSCE observers to two Russian checkpoints on the Ukrainian-Russian State border, the European Union would like to make the following interpretative statement under the relevant provisions of the Rules of Procedure:

The European Union’s views on the vital importance of border monitoring on the Russian-Ukrainian State border are well known. Effective and comprehensive monitoring of this border is an integral part of a sustainable political solution in line with OSCE principles and commitments, which re-establishes full Ukrainian control over its sovereign territory, including the border. We recall that the Minsk Protocol calls for permanent monitoring of the border and verification by the OSCE and that the Minsk Package of Measures includes a commitment to reinstate full Ukrainian control over its entire international border.

The OSCE Observer Mission’s currently very limited mandate and its small size does not provide for a comprehensive border monitoring. We therefore reiterate our call for a significant expansion of the Observer Mission to all border crossings on the Russia-Ukraine State border currently not under control of the Ukrainian Government as well as monitoring between these border crossings. This should be supported and co-ordinated with border monitoring on the Ukrainian side of the border by the Special Monitoring Mission and we reiterate the need for the SMM to be assured safe and unhindered access to all parts of the border currently not under Ukrainian government control since border and ceasefire monitoring are very closely interlinked. Further we underline the need for sufficient equipment for the Observer Mission in order to monitor movements on the border more effectively.

We regret that the Russian Federation continues to resist an expansion of the Observer Mission.”
The candidate countries the former Yugoslav Republic of Macedonia\textsuperscript{1}, Montenegro\textsuperscript{1} and Albania\textsuperscript{1}, the country of the Stabilisation and Association Process and potential candidate Bosnia and Herzegovina, and the EFTA countries Iceland and Norway, members of the European Economic Area, as well as the Republic of Moldova, Georgia and San Marino align themselves with this statement.

\textsuperscript{1} The former Yugoslav Republic of Macedonia, Montenegro and Albania continue to be part of the Stabilisation and Association Process.
INTERPRETATIVE STATEMENT UNDER PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE OF THE ORGANIZATION FOR SECURITY AND CO-OPERATION IN EUROPE

By the delegation of the United States of America:

“Thank you, Mr. Chairperson.

In connection with the adoption of the decision for the extension of deployment of OSCE observers to two Russian checkpoints on the Russian-Ukrainian border, the United States would like to make the following interpretative statement under paragraph IV.1(A)6 of the OSCE Rules of Procedure:

The United States finds it deeply regrettable that the Russian Federation continues to block the expansion of the geographic scope of the Observer Mission, despite the clear, strong, and continued support from other participating States to do so. We once again must accept an inadequate, limited-scope mission covering just two border checkpoints, which together account for only a few hundred meters of the 2,300 kilometre Ukrainian-Russian border, much of which Ukraine does not control.

Due to Russia’s unwarranted restrictions of the border observation mission’s work, the Mission will continue to be unable to ascertain the full extent to which Russia is participating in or facilitating the flow of arms, funding, and personnel to support the so-called “separatists” in eastern Ukraine.

We note that point 4 of the Minsk Protocol delineates a clear role for the OSCE to monitor and verify both sides of the Ukrainian-Russian international border, and to create a security zone in the border areas of Russia and Ukraine. There are strong linkages between ceasefire monitoring and border monitoring, and it is to the detriment of all efforts to resolve the conflict that the OSCE approach to these activities has been impeded by one participating State. The Russian Federation’s repeated refusal to allow expansion of the scope of this mission shows, once again, that it refuses to fulfil its Minsk commitments.

I request that this interpretative statement be attached to the decision and to the journal of the day.

Thank you, Mr. Chairperson.”
By the delegation of the Russian Federation:

“The Russian Federation joined the consensus regarding the Permanent Council decision on the latest extension of the mandate of the team of OSCE observers at the two Russian checkpoints of Gukovo and Donetsk on the Russian-Ukrainian border for three months (until 31 October 2017), regarding the work of this team as an additional voluntary confidence-building measure in the settlement of the internal Ukrainian conflict.

We reaffirm that the places of deployment and functions of the team of OSCE observers are clearly defined by the team’s mandate approved by Permanent Council Decision No. 1130 of 24 July 2014, which is based on the invitation of the Russian Federation of 14 July 2014 made in the wake of the Berlin Declaration of the Foreign Ministers of Russia, Germany, France and Ukraine of 2 July 2014.

The Minsk Protocol of 5 September 2014 does not mention the deployment of OSCE observers on the Russian side of the border with Ukraine. Nor is there any reference to this in the Package of Measures for the Implementation of the Minsk Agreements adopted on 12 February 2015 and subsequently endorsed by United Nations Security Council resolution 2202. The decision to allow OSCE observers on Russian territory and the presence of Ukrainian border guards and customs officers at Russian checkpoints in the absence of a full-scale peace settlement are solely a goodwill gesture on Russia’s part.

With a view to granting privileges and immunities to the OSCE observers, Russia is willing to consider the possibility of their accreditation as diplomatic staff of embassies at the request of the seconding countries.

I request that this statement be appended to the decision adopted, and included in the journal of the day.”
