**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

The delegation of Finland, in its capacity as EU Presidency, passed the floor to the representative of the European Union, who delivered the following statement:

“In connection with the decision of the Permanent Council on the extension of the deployment of OSCE observers to two Russian checkpoints on the Russian-Ukrainian border, the European Union would like to make the following interpretative statement under the relevant provisions of the Rules of Procedure.

The European Union’s views on the vital importance of the monitoring of the Ukrainian-Russian State border are well known. Effective and comprehensive monitoring of this border is an integral part of a sustainable political solution in line with OSCE principles and commitments, which re-establishes full Ukrainian control over its sovereign territory, including the border. We recall that the Minsk Protocol calls for permanent monitoring of the border and verification by the OSCE and that the Minsk Package of Measures includes a commitment to reinstate full Ukrainian control over its entire international border.

The OSCE Observer Mission’s currently very limited mandate and its small size does not provide for a comprehensive border monitoring. We therefore reiterate our call for a significant expansion of the Observer Mission to all border crossings on the Russian-Ukrainian State border currently not under control of the Ukrainian Government as well as monitoring between these border crossings. This should be supported and co-ordinated with border monitoring on the Ukrainian side of the border by the Special Monitoring Mission (SMM) and we reiterate the need for the SMM to be assured safe and unhindered access to all parts of the border currently not under Ukrainian Government control since border and ceasefire monitoring are very closely interlinked. Further we underline the need for sufficient equipment and sufficient freedom of movement for the Observer Mission at the current crossing stations in order to monitor movements on the border more effectively.

We do not see any grounds for the Russian Federation’s continued resistance to the long overdue expansion of the Observer Mission, including the improvement of its equipment and urge it to reconsider its position.

We welcome the mandate extension by four months, and would support an extension to a longer period of time increasing the Mission’s continuity and consistency.”

The candidate countries the Republic of North Macedonia<sup>1</sup>, Montenegro<sup>1</sup> and Albania<sup>1</sup>, the country of the Stabilisation and Association Process and potential candidate Bosnia and Herzegovina, and the EFTA countries Iceland and Norway, members of the European Economic Area, as well as the Republic of Moldova, Georgia and San Marino align themselves with this statement.

**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

By the delegation of Ukraine:

“Mr. Chairperson,

In connection with the Permanent Council decision on the extension of the deployment of OSCE observers to two Russian checkpoints on the Russian-Ukrainian border, the delegation of Ukraine would like to make the following interpretative statement under paragraph IV.1(A)6 of the Rules of Procedure of the Organization for Security and Co-operation in Europe.

The delegation of Ukraine consistently reiterates the importance of having a substantial and broad OSCE monitoring on the Russian side of the Ukrainian-Russian border adjacent to the Russia-occupied parts of the Donetsk and Luhansk regions of Ukraine. We urge the Russian Federation to lift all restrictions which undermine the efficiency of the Mission’s monitoring in ‘Gukovo’ and ‘Donetsk’ checkpoints.

Having signed the Minsk Protocol of 5 September 2014, the Russian Federation, committed to ensure permanent monitoring of the Ukrainian-Russian State border and verification by the OSCE with the establishment of a security zone in the border areas of Ukraine and the Russian Federation. As a part of the implementation of this provision, the mandate of the OSCE Observer Mission at the Russian border checkpoints ‘Gukovo’ and ‘Donetsk’ must be expanded. This will greatly contribute to sustainable de-escalation and peaceful resolution of the situation in the Donbas region of Ukraine.

We reiterate our call to the Russian Federation to allow expansion of the mandate of the border Observer Mission to all sections of the border that are temporarily not under control of the Ukrainian authorities. We deeply regret that until now the Russian Federation continues to strongly resist it. Such persistent reluctance on the part of Russia can be attributed only to its unchanged intention to continue intervention in Ukraine’s Donbas, including by sending heavy weapons, military equipment, regular troops, fighters and mercenaries, sponsoring the terrorist activities in the territory of Ukraine. We continue to urge Russia to cease immediately these internationally wrongful acts.

In this connection, the delegation of Ukraine recalls that Russia has not responded to numerous requests for explanations regarding the OSCE Special Monitoring Mission’s (SMM) reported presence in the occupied parts of Donbas of modern Russian weapons and

military equipment including the jamming system R-330 'Zhitel', electronic warfare system RB-341V 'Leer-3' and the most modern Russian satellite communication jamming complex 'Tirada-2', that were observed by the SMM in Ukraine during this year.

We call upon the Russian Federation to demonstrate its full commitment to the implementation of the Minsk arrangements in good faith and to allow proper and comprehensive permanent monitoring by the OSCE on the Russian side of the Ukrainian-Russian State border adjacent to the temporarily occupied areas of the Donetsk and Luhansk regions with establishment of a security zone in border areas of Ukraine and the Russian Federation.

The delegation of Ukraine requests that this statement be attached to the decision and registered in the journal of the day.

Thank you, Mr. Chairperson.”

**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

By the delegation of the United States of America:

“Thank you, Mr. Chairperson.

In connection with the adoption of the decision for the extension of deployment of OSCE observers to two Russian checkpoints on the Russian-Ukrainian border, the United States would like to make the following interpretative statement under paragraph IV.1(A)6 of the OSCE Rules of Procedure:

The United States finds it deeply regrettable that Russia continues to block the expansion of the geographic scope of the Observer Mission, despite the clear, strong, and continued support from other participating States to do so. We once again must accept an inadequate, limited-scope mission covering just two border checkpoints, which together account for only a few hundred metres of the 2,300 kilometre Ukrainian-Russian border, much of which Ukraine does not control.

Due to Russia’s unwarranted restrictions of the border Observer Mission’s work, the Mission fails to ascertain the full extent to which Russia participates in or facilitates the flow of arms, funding, and personnel to support its proxies in eastern Ukraine.

We note that point 4 of the Minsk Protocol delineates a clear role for the OSCE to monitor and verify both sides of the Ukrainian-Russian international border, and to create a security zone in the border areas of Russia and Ukraine. There are strong linkages between ceasefire monitoring and border monitoring, and it is to the detriment of all efforts to resolve the conflict that the OSCE approach to these activities has been impeded by one participating State. Russia’s repeated refusal to allow expansion of the scope of this mission demonstrates, regrettably, once again, Moscow’s unwillingness to take its Minsk commitments seriously.

Mr. Chairperson, I request that this interpretative statement be attached to the decision and to the journal of the day.

Thank you, Mr. Chairperson.”

**INTERPRETATIVE STATEMENT UNDER  
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE  
OF THE ORGANIZATION FOR SECURITY AND  
CO-OPERATION IN EUROPE**

By the delegation of the Russian Federation:

“The Russian Federation joined the consensus regarding the Permanent Council decision on the latest extension of the mandate of the team of OSCE observers at the two Russian checkpoints of Gukovo and Donetsk on the Russian-Ukrainian border for four months (until 31 January 2020), viewing the work of this team as a voluntary confidence-building measure in addition to the process for the settlement of the internal Ukrainian conflict.

We reaffirm the immutability of the mandate, and of the organizational modalities and deployment location for the work of the team of OSCE observers defined therein, which were clearly laid down in Permanent Council Decision No. 1130 of 24 July 2014. That decision was based on the invitation of the Russian Federation of 14 July 2014 made in the wake of the Berlin Declaration of the Foreign Ministers of Russia, Germany, France and Ukraine of 2 July 2014.

The Minsk Protocol of 5 September 2014 in no way mentions the deployment of OSCE observers on the Russian side of the border with Ukraine. Nor is there any reference to this in the Package of Measures for the Implementation of the Minsk Agreements adopted on 12 February 2015 and subsequently endorsed by United Nations Security Council resolution 2202. The decision to allow OSCE observers on Russian territory and Ukrainian border guards and customs officers to be present at Russian checkpoints is solely a goodwill gesture on Russia’s part.

I request that this statement be attached to the adopted decision and included in the journal of the day.”
