OSCE Quarterly Selections 1/2018

January – March 2018

The following is a group, but (non-)organized with a view to helping readers to navigate among the "OSCE documents" published in the first quarter of 2018 and to highlight documents that may be of particular interest. It is not exhaustive and does not include documents of a purely internal character.

I. OSCE PERIODICALS AND E-PUBLICATIONS

II. DECISIONS, CONCLUDING JOURNALS OF THE 1309th and 1310th OSCE Permanent Council meeting and other decisions bundled (such as plenary meetings of the Ministerial Council or Summits) for PC consideration

III. SELECTED STATEMENTS, INTERNATIONAL REGULAR REPORTS AND CONTRIBUTIONS made by the OSCE Chairperson-in-Office and High Officials representing OSCE structures, institutions and field activities

IV. CONSOLIDATED SUMMARIES – Long-term planning, regular reports, programme and budget proposals for the organization and the annual report(s) of the Secretary General (the Annual Report 2017 is due on 15 March 2018 and will be issued in numbered versions as usual)

V. SELECTED INTEREST AND REFERENCE DOCUMENTS (including a record of activities in the three OSCE Mediterranean Partners for Co-operation)
