The OSCE Secretary General's Annual Report gives an overview of the organization's activities and achievements in 2018.

The report highlights the OSCE's commitment to promoting security, stability, and prosperity in the region, with a focus on addressing challenges such as terrorism, violent extremism, and human trafficking.

The report also outlines the OSCE's ongoing efforts to support democratic institutions, human rights, and the rule of law, as well as its role in facilitating dialogue and conflict resolution.

In addition, the report discusses the OSCE's work in addressing regional and global issues, such as climate change and cyber security.

Overall, the report serves as a comprehensive resource for understanding the OSCE's activities and contributions to regional and international security.

The full report is available on the OSCE website.
