WORKING MODUS OF PLENARY SESSIONS and WORKING GROUPS

The Preparatory Meeting is scheduled in plenary sessions and parallel working groups. It should stimulate a free-flowing discussion out of which recommendations to the OSCE and its participating States should emerge. The recommendations will be taking into consideration during the deliberations of the Forum’s Concluding Meeting, taking place in Prague from 6 to 8 September 2017.

The PLENARY SESSIONS (Neuer Saal, 2nd floor) will have presentations of expert speakers followed by discussions. A moderator will facilitate the debates and a rapporteur will summarize the key issues discussed.
In three parallel **WORKING GROUPS (WGs)** on Tuesday, 24 January 2017, from 10:00 - 13:00hrs, participants and experts will, under the guidance of a moderator as well as a facilitator, be actively engaged in a substantial dialogue and discussions. The facilitator will introduce the key issues related to the theme of the respective WG. The organizers highly encourage participants to engage in the debates. Neither statements nor presentations are required. The parallel WGs will take place in: Neuer Saal (2nd floor), Ratsaal and room 533 (both on 5th floor).

The debates should result in recommendations. The conclusions will be presented at the Concluding Session and further evaluated at the Forum’s Concluding Meeting in September 2017 in Prague.

For organizational purposes, we kindly request to register for the WG of interest on the attached registration form. Participants will, of course, be free to attend any working group.
