THREE PEOPLE WERE KILLED AND TWELVE OTHERS WERE INJURED AFTER A DRONE ATTACK IN THE MOSCOW REGION

According to preliminary data, more than 120 UAVs were shot down while approaching Moscow. A total of 556 kamikaze drones have been destroyed over Russia, the Russian Defense Ministry stated.

THREE PEOPLE WERE KILLED AND TWELVE OTHERS WERE INJURED AFTER A DRONE ATTACK IN THE MOSCOW REGION

ON MAY 19, AN AIR RAID ALERT WAS ISSUED IN SEVERAL AREAS OF LATVIA DUE TO UKRAINIAN DRONES

AIZSARGĪBAS
MINISTRIJA

KO DARĪT DRONA INCIDENTA GADĪJUMĀ:

- Netuvojies dronam vai atliekām — tas var būt bīstams.
- Parūpējies par drošību — atrodi patvērumu, paliec prom no logiem un atklātām vietām.
- Ziņo par aizdomīgu dronu vai tā atliekām: zvani 112, norādi vietu, laiku un novērojumu.
- Neizplati foto un videomateriālus sociālajos tīklos - nodod materiālus policijai.
- Seko oficiālajai informācijai 112.lv, NBS un Valsts policijas mājaslapās.
- Saglabā modrību — ikviens gadījums jāuztver nopietni.

krievijas agresīvā kara pret Ukrainu dēļ neidentificētu dronu ielidošana Baltijas valstīs var atkārtoties aizvien biežāk, tāpēc sabiedrībai jābūt modrai.

! Iespējams apdraudējums Latvijas gaisa telpā.

Krāslavas, Preiļu, Ludzas un Rēzeknes novados.

Nato gaisa telpas patrulēšanas misijas iznīcinātāji ir aktivizēti Baltijas gaisa telpā.

Kopā ar NATO sabiedrotajiem pastāvīgi monitorē gaisa telpu, lai nodrošinātu spēju nekavējoši reaģēt uz potenciālu apdraudējumu. Esam pastiprinājuši pretgaisa aizsardzības spējas uz austrumu robežas, nosūtot papildu vienības.

Kamēr norisinās krievijas agresija Ukrainā, tādu gadījumu atkarotāšanās, kad Latvijas gaisa telpā ielido vai tai pietuvojas ārvalstu bezpilota lidaparāts ir iespējama.

Iedzīvotāju ievērībai!

Meklējiet patvērumu telpās, aizveriet logus un durvis - ievērojiet divu sienu principu. Ja pamanāt zemu lidojošu, aizdomīgu vai bīstamu objektu, netuvojieties tam un zvaniet 112. Par apdraudējuma beigām informēsim.

Nederland doneert gevangenisbussen aan Oekraïne

Nieuwsbericht | 05-05-2026 | 06:45

Nederland doneert in 2026 in totaal 20 gevangenisbussen aan het Oekraïense gevangeniswezen. Door de oorlog staat het gevangeniswezen in Oekraïne onder druk en is er behoefte aan extra materieel om het werk te kunnen blijven uitvoeren. Staatssecretaris van Justitie en Veiligheid, Claudia van Bruggen, heeft in het Oekraïense Lviv de eerste 4 voertuigen overgedragen.
