STATEMENT BY THE DELEGATION OF UKRAINE

1583rd meeting of the OSCE Permanent Council

Agenda Item 3, "Review of Current Issues"

"On the sabotage act in Brasov, Romania (September 14, 2026)"

(29 October 2026)

Mr Chairperson,

We are grateful to the Delegation of Romania for raising this important issue at today's meeting of the Permanent Council.

As we have emphasised earlier in our statement on Russia's war of aggression against Ukraine, the activities of Russian sabotage networks are a vivid illustration of Moscow's hybrid strategy directed against Europe. These activities are nothing less but Kremlin`s sustained efforts to target states that condemn Moscow`s imperialistic course, stands in solidarity with Ukraine, and provide assistance in countering Russia`s brutal invasion.

This is unacceptable. Russian subversive activities must not go unanswered or unpunished. An effective response to Russia's expanding sabotage campaign across Europe requires coordinated action, including additional sanctions and stronger measures to identify, disrupt, and dismantle Russian sabotage networks. A fragmented or insufficient response would risk emboldening Moscow and encouraging further attempts to undermine European security.

Ukraine stands in solidarity with Romania and calls for collective efforts to ensure that Russia faces tangible and increasing consequences for every attempt to destabilise our common security.

Thank you, Mr Chairperson.
