# REGISTRATION AND ACCREDITATION

The entire venue will be a secure area, and access will require an accreditation badge. Accreditation for media representatives is mandatory, and no access will be granted without a valid badge.

Badges are not transferable and must be always worn visibly at all times.

**Media registration** with the Austrian Federal Press Service **will open on Monday, 3 November** and will remain available **until Monday, 1 December at 17:00**. Registration can be completed [here](#).

Advance registration is mandatory for both in-person and virtual attendance.

Please follow the instructions for “accreditation for events”. If you have already registered online for a previous event or as a foreign correspondent in Austria, your data is already recorded by the system. In this case you only need to tick the event “OSCE Ministerial Council 2025”.

To register, please complete the required information, upload a recent digital colored photograph on which you are perfectly recognizable. Please do not use a scan from a document as this will not give the required image quality. In the registration form fill in the data of your valid press card. Instead of your press card you may also attach a letter from your media organisation confirming your personal assignment for the particular event.

Media representatives will be notified by email once the registration process is approved in the system. All personal information provided during registration will be processed in accordance with General Data Protection Regulation (GDPR) requirements.

## Late accreditation

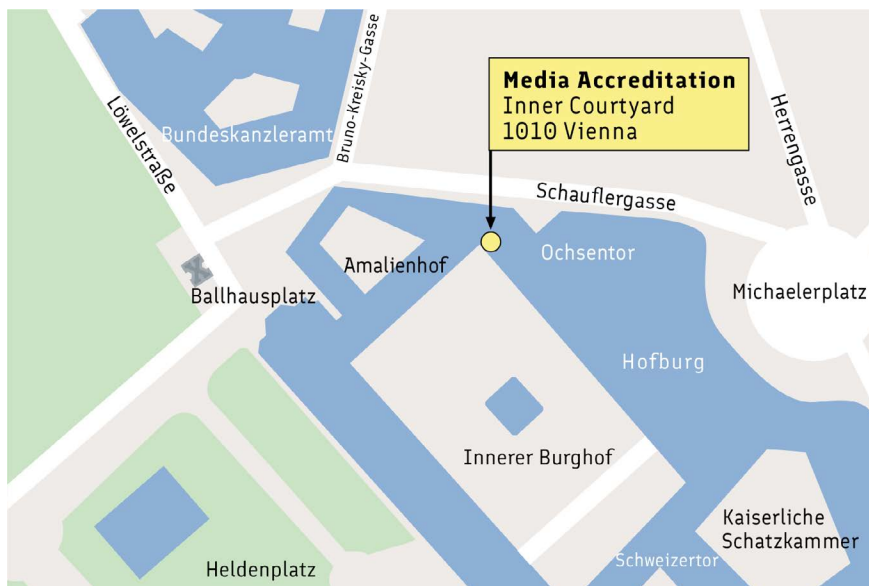

Please note that media accreditation must be submitted **no later than Monday, 1 December, at 17.00.**

Late accreditation is only possible in exceptional cases and can lead to longer waiting times as well as problems when accessing the security area at the venue.

## Media badge collection

Due to limitations related to space, security, and protocol, some events may require pool arrangements or other specific access procedures.

# ACCREDITATION FOR MEDIA POOLS

Media representatives need not only an accreditation badge but must apply for positions in media pools for the Ministerial Council as specified below.

A separate “pool badge” is required for participation in media pool opportunities at the Ministerial Council. The pool badges **can be collected exclusively from the Media Information desk at the Hofburg at least 30 minutes prior the departure of the pool**. If those who have been assigned to a pool do not collect their pool badge by the deadline, their position is forfeited to the next media outlet on the waiting list. Media representatives must visibly wear the pool badge during the pool opportunities. Pool badges are non-transferable.

Media representatives attending a specific pool must be present 15 minutes prior to the departure of the pool at the meeting point next to the Media Information Desk, from where the group will be escorted to and from the pool opportunity. Late arrivals at the meeting point will lose their access to the pool.

You can apply for pools for the official programme you wish to attend starting Monday, 3 November, by sending an email to [federalpressservice@bka.gv.at](mailto:federalpressservice@bka.gv.at). Please indicate which pool(s) you are applying for.

**Registration for pools ends on Monday, 1 December, 2025 at 17.00.** Registration alone does not guarantee admission to these pool sessions. You will be notified via email on Wednesday, 3 December, whether your pool preferences can be fulfilled.

Please note that **pool regulations apply**. By agreeing to participate in a pool, you are required to share your audio-visual material with media outlets in the Media Centre that were not part of the pool if asked to do so.

## Schedule for media pools

Any changes to the media pool schedule will be announced at the Media Centre, and the latest updates can be obtained from the Media Information Desk.

Please note that entry to the pool opportunities is for the full duration of the event only. Once you enter a pool, you are required to stay until the programme item ends. Early exit or re-entry are not possible.

Please ensure bilateral pool requests are submitted by 16:00 CET on Wednesday 3 December. Ad hoc or last minute requests can be accommodated, media centre resources permitting.
