Macho Men

...a play by Serbian theatre Reflektor.

This play aims to send a message of promoting freedom, personal achievement and effort to overcome the culturally imposed norms on masculinity that prevent young men to be themselves.

Macho Men uses workshop methods and techniques of the process theatre to link the artistic and activist, personal and political, aesthetic and the educational.

Performance will take place on
23 November at Bibliotheksaal,
Hofburg, starting at 4:30 PM
